

Ottawa, August 3rd, 1933.

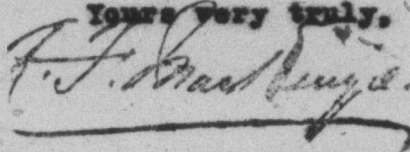

Dear Sir:-

I am enclosing to you, the identification Treaty Ticket for Simon Teepayook, No. 263, Osnaburgh Band, which ticket should not have been taken from him as it should be carefully retained by him so that at any time he can know the Band and Band Number under which he is paid. In applying for Annuity in such cases you should state in your letter, his Band and Band Number which information is sufficient without sending his ticket.

Farther, I wish to inform you that his Annuity Money for 1933 was left with Mr. McCauley, Post Manager of the Hudson's Bay Company at Cat Lake.

Enc.

Yours very truly,

A. F. MacKenzie,
Secretary.
