

C157402  
OFFICE OF THE PRIME MINISTER

MEMORANDUM for the Prime Minister. *JW*

(2)

*R-100-a*  
1943

Captain Armit telephoned to say that in about two weeks' time he is leaving the Department of Naval Services in Ottawa to go down to the States, in the hope that he may be given the command of a transport or some other merchant marine vessel.

He feels that his usefulness is at an end here, and that he can be of more service by returning to the sea.
