LONDON,

most strictly observed here. Briefly the position is that it is felt to be of the utmost importance that any details of the movements should only be committed to writing where this is absolutely essential. So long as all continues to go smoothly it is improbable, therefore, that we shall have anything special to report on the subject.

5. Please treat this telegram as regards the precautions for secrecy and communication to the United Kingdom High Commissioner in the same manner as telegrams in the D.W. series. Contents will be communicated to your High Commissioner here. Ends.
