

Eighth Witness - No. F28353 Pte. MacNeil, J.F. (Continued)

Answer - Quite close but due to the darkness and the fact that a fight was in progress, I could not make anything out of the assaulted person.

Question - How close were you to the sergeant before you noticed his rank?

Answer - I was right alongside of him; within a couple of feet of him.

Question - Did you see LEE ~~XX~~ or LANTHIER pass any blows?

Answer - No, sir.

Question - Account for your statement, then, that there was a fight.

Answer - I saw the companion of the A.T.S. on the ground with LEE on top of him. I could not make out any more.

Question - What were the other three doing?

Answer - Standing about the fight.

The accused, No. B73840 Pte. LEE, M.N. declines to question this witness.
