

Bladder, Blood, etc., than four or six of the ordinary common Purgative Cathartic Pills sold under various names, or than ten grains of Blue Mass or Blue Pill.

For a more thorough exposition of the properties of Radway's Regulating Pills, see "False and True," a new publication by Dr. John Radway, M.D. Send postage stamp and get a copy.

## DROPSY.

The Sarsaparillian and the Pills, in large doses, should be taken by dropsical persons. They will not only reduce the swelling, but remove the cause of the swelling, which is the disease of the Liver, Kidney, or Heart, as the case may be. In this disease the Resolvent shows its great power over the absorbent system. Dropsical swelling frequently results from cases of Fevers, Measles, Consumption and Scrofula.

ANN ARBOR, MICH., April 30, 1875.

DR. RADWAY—*Kind Sir*: I have been taking your Resolvent, Regulating Pills, and also using the Ready Relief about one year for ovarian tumors on the abdomen which the most eminent physicians of our Medical College pronounced incurable.

They were like knots on a tree. When I was sitting in a chair, they hung almost to the floor, and my weight was two hundred and seventy-five pounds, when I commenced with your remedies, and now it is two hundred and ten pounds, but they are not all gone yet. I have taken twenty-four bottles of Resolvent, nine of Relief, and twenty-four boxes of Pills. I get the medicines from G. Grenvill.

Please send me your book False and True.

Mrs. C. KRAPP.

### *Another Letter from Mrs. C. Krapp.*

August 18, 1875.

DR. RADWAY—*Kind Sir*: I take the liberty to address you again. My health is greatly improved by the use of your medicines. Three of the tumors are entirely gone, and the fourth is nearly so. Dropsy is gone, health still improving, and my weight decreasing very fast. I have had a great many calls this summer to enquire of the wonderful cure your medicine has done for me, one from Ohio, one from Canada, three from Jackson, and quite a number from this place.

Yours with respect,

Mrs. C. KRAPP.

We are well acquainted with Mrs. Krapp. She is an estimable lady, and very benevolent. She has been the means of selling many bottles of the Resolvent by the druggists of Ann Arbor to persons afflicted with internal tumors. We have heard of some wonderful cures effected by it.

Yours respectfully,

EEBACH & Co.

ANN ARBOR, MICH., Aug. 18, 1875.

## DYSPEPSIA.

HUNDREDS of maladies spring from this complaint. The symptoms of this disease are the symptoms of a broken-down stomach. Indigestion, Flatulence, Heartburn, Acid Stomach, Pain after Eating—giving rise sometimes to the most excruciating Colic—Pyrosis or Water Brash, etc., etc.

*Radway's Sarsaparillian*, aided by Radway's Pills, when needed, is a sure cure for this complaint. It restores strength to the stomach, and makes it perform its functions. The symptoms of Dyspepsia disappear, and with them the liability of the system to contract diseases. Take the medicine according to the directions, and observe what we say in "False and True" respecting Diet. The subject is too long to introduce in our Almanac and Dyspeptics must heed those rules.

Bleeding in pregnancy produces abortion.

A greater malady obscures the sense of a lesser one.

In pregnant women, diarrhoea occasions abortion.

Mournful sighs with a fever, in acute diseases, are bad.
