LORETTO ACADEMY, for the education of young ladies, under the superintendence of the Ladies of Loretto, is situated on Norfolk St, close to the grand structure of our Lady's Church, and on the same elevation. The course of instruction in this establishment comprises every useful and ornamental branch, suitable to the education of young ladies. Parents may rest assured that pupils placed under the ladies' charge receive the greatest attention and care. Pupils will be received at any time in the year. No boarder is admitted for a shorter period than five months, nor day pupils for less than ten weeks. The annual vacation commences about the first week in July, and scholastic duties are resumed about the first week in September. Difference of creed is not regarded in the admission of pupils. The young ladies are permitted to see their parents or legal guardians and female relations on Wednesday from half-past one till a quarter to five o'clock. The convent is beautifully situated and commands a good view of the surrounding country. The building is heated by steam, and furnished to provide for the comfort of the pupils.
