

Shorthand

is of great value not only because it is now indispensable in Business and a sure passport to a good position, but because it is a splendid accomplishment and a great aid to the student preparing for any profession.

¶ It may be very easily acquired

AT HOME—BY MAIL

by any young man or woman who has a good English education and who will use spare time in study. ¶ We are giving a fine course of lessons now to many students who cannot get away to attend College. They are doing well. Others can do the same. The cost is small. The results good.

SHORT STORY WRITING

is another very popular course just now. You may learn the art. Do your work at home, and find a good market for your product.

¶ Our special Booklet explains the work fully. Write for it.

¶ These and all other courses shown in our Coupon last month are prepared and taught by such capable and experienced teachers as have made our great school,—The

Central Business College

of Toronto, the strong, reliable institution it now is, with its annual enrolment of more than 1,400 members. ¶ Our Correspondence Courses are now given under the direction of

THE SHAW CORRESPONDENCE SCHOOL

393 Yonge St., Toronto (W. H. Shaw, President)

to whom you are invited to write for particulars.
