

stallation of a heating and ventilating plant in the Central school building.—By-laws were carried here last week to provide for waterworks construction and \$35,000 for erection of Collegiate Institute.

NELSON, B.C.—The West Kootenay Power & Light Co., of Rossland, are applying for 112,000 miners' inches of water on the Kootenay river, and if the application is granted propose to construct a large dam.—The Northwest Coal & Coke Co. will build a railroad and develop coal areas in the Alberta district.

CALGARY, N.W.T.—Lawson & O'Gara are taking tenders up to 29th inst. for block on corner of Eighth ave. and First street east for David McDougall, 50 x 130 ft., 3 stories and basement, cut stone and pressed brick, cost about \$60,000. They are also calling for tenders for new Presbyterian church.

ERNIE, B. C.—Thomas Fawcett purposes building a residence on McPherson ave.—The Imperial Oil Co. will erect a storage warehouse 60 x 20 feet. Later on an oil tank may be built.—

William Henderson, of Victoria, architect for the Dominion Government, was here recently in connection with proposed new post office. The building will likely be built of grey granite and cost about \$70,000. The foundation will be built this summer.

STRATFORD, ONT.—The Finance Committee have recommended that the City Council submit a by-law to the ratepayers to give a bonus of \$25,000 to the C.P.R. for purchase of right of way and \$10,000 to cover the cost of approaches to the proposed subways at Mary and Huron streets.—Tenders will be invited for construction of culverts.

COLLINGWOOD, ONT.—John Wilson, architect, has prepared plans for the reconstruction of H. S. Lindsay's stores on Hurontario street, also for a large addition to the pork packing house at Aylmer for the Wm. Ryan Packing Co., of Toronto.—F. T. & F. A. Hodgson have purchased the property occupied by E. Fair & Co. and intend rebuilding at once, the ground floor to include two stores and the upper floor offices and a large hall.—John Wilson

has completed plans for a new grist mill for the Osprey Farmers Milling Co. at Feversham.

BRANTFORD, ONT.—James A. Smith, Clerk Township Brantford, desires tenders by 29th inst. for constructing two concrete abutments for steel superstructure of bridge.—Peter Wood proposes to make improvements to the Kerby House, cost \$9,000.—New boilers may be installed in the waterworks pumping station.—The Sharples Tubular Separator Co., of West Chester, Pa., are negotiating for the old Cockshutt works in this city with a view to establishing a Canadian factory.

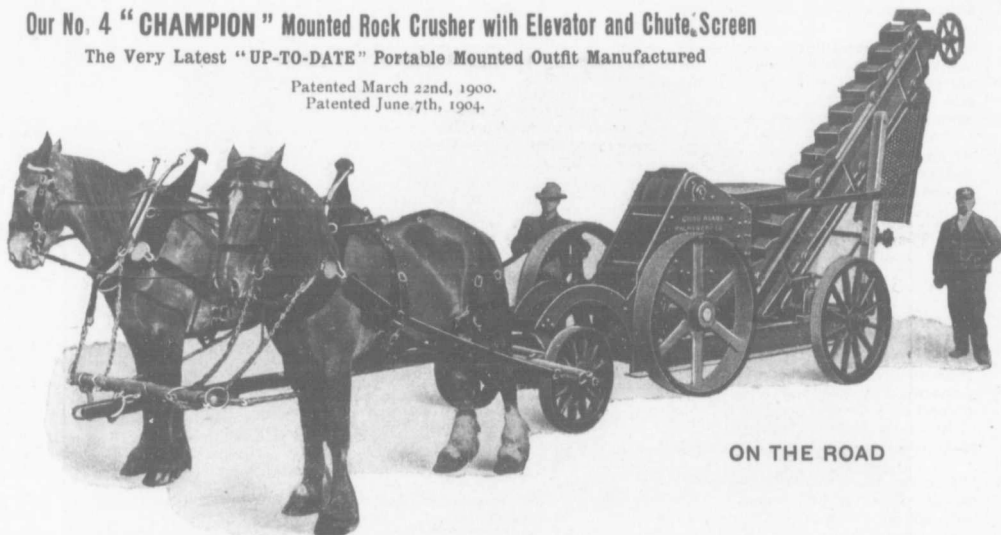

CHATHAM, ONT.—J. L. Wilson & Sons, architects, are taking tenders up to 29th inst. for erection of frame residence, brick foundation, for Edward Marshall. Some architects have just taken tenders on cut stone and brick residence on Inches ave.—The Defiance Iron Works expect to commence the construction of a \$25,000 plant at an early date.—The promoters of the Windsor, Essex and Lakeshore Electric Railway Co. were in the city last week and

THE GOOD ROADS MACHINERY COMPANY, LIMITED, Hamilton, Canada

Our No. 4 "CHAMPION" Mounted Rock Crusher with Elevator and Chute, Screen

The Very Latest "UP-TO-DATE" Portable Mounted Outfit Manufactured

Patented March 22nd, 1900.
Patented June 7th, 1904.

ON THE ROAD

The Steel "CHAMPION" Rock Crusher is the result of years of practical experience in crushing Rock from the limestone Ridges to the very hardest Syenite Rock. For crushing hard Boulders they have been proved to be superior to all competitors.

All mechanics agree that the simpler the machine the more valuable it is. In complicated machines look out for trouble and expense.
