Current Events

A bill was introduced into the Ontario Legislature by Hon. Walter Rollo providing for monetary allowance to widows with children.

The Franchise Bill was the leading feature in the House at Ottawa last week, controversy centering about section 2, of clause, 29, the disfranchisement portion of the bill, in opposition to which Liberals and Farmers united.

The annual meeting of the Canadian Conference on Public Welfare was held in Hamilton, Ont., last week.

Gen. Sir Arthur Currie has accepted the Principalship of McGill University, Montreal.

It was announced by Sir George Foster in the House at Ottawa that Canada is to have a diplomatic representative in Washington.

The teachers of Southern Ontario have organized a "Salary Circle" or Teachers' Federation looking to better pay for teachers.

William Dean Howells, the noted American novelist died in New York on May 11th. He was born at Martin's Ferry, Ohio, on March 1st, 1837. He was the author of 70 books, the greatest of which, probably, is *Silas Lapham*.

Seizure by field agents of the Bureau of Internal Revenue of all material "designed to be used in the manufacture of alcoholic liquors" has been ordered by S. R. Brane, Supervisor of Prohibition for the Virginias, Carolinas, Tennessee and Kentucky.

Cancellor of the Exchequer Austen Chamberlain, in outlining in the British House of Commons, proposals for raising revenue, said Great Britain may lay a 60 per cent. tax on war profits, raise the postal charges and impose a further duty on spirits and cigars, a rebate for the latter to be made to India.

By a vote of 259 to 55, on May 10th, the British House of Commons rejected Mr. Asquith's amendment to the Government's Home Rule Bill. His amendment provided for one Parliament for Ireland, with county option for Ulster extending over 6 years.

Within the last few days 64 police barracks and 30 income tax officers in Ireland have been attacked by Sinn Feiners.

An aerial postal service was inaugurated on May 11th between Tien-Tsin and Peking, China.

The Japanese are said to be buying big interests in the Ruhr Munition firms, especially at Essen.

The Imperial German throne and the household effects from several palaces of the former Kaiser are to be sold at auction in New York. They were sold in Germany to buy food, after being seized, after the flight of the Kaiser, for unpaid bills.

By the mere threat of a general strike and the establishment of a Republic the Socialists of Denmark have overthrown the Cabinet and gained virtual control of the Government.

The Turkish Treaty was handed to the Turkish delegation in Paris on May 10th.

The Conference of the Supreme Council, directed by the Premiers of Britain, Italy and France, which met at San Remo, Italy and closed on April 26th, is said to have been a long step towards a settlement that will preserve peace and restore the normal life of the world. France promised a formal denial of all plans of annexation on the left bank of the Rhine, for which her military party has been contending. Recognizing that Germany cannot pay unless she re-enters the industrial life of the globe, the Council has invited the German Chancellor to attend the Allied Conference at Spa; a German delegation will be invited to Brussels to discuss financial arrangements.
