

MACHINE OIL

Our American Amber Machine Oil for agricultural outdoor machines, and for separators, is without doubt the best-wearing, heavy-bodied machine oil ever imported into Canada. It is the same thickness in summer as in winter; it is heavy bodied, amber in color, and will wear longer than any other oil on the market. We recommend it without hesitation as being first-class, and fully equal to any, and better than many of the higher-priced oils on the market. We have it put up as follows:

- 1st. In barrels containing 45 gallons; price, 28c. per gallon no charge for the barrel, making a total of \$12.60.
- 2nd. In barrels containing 25 gallons; price, 30c. per gallon no charge for the barrel, making a total of \$7.50.
- 3rd. In tin cans, with wooden jackets, capacity, 5 gallons; oil at 30c. per gallon, price of can, 50c., making a total of \$2.
- 4th. In tin cans, with wooden jackets, capacity, 2 gallons; oil at 30c. per gallon, price of can, 30c., making a total of \$1.

These are all imperial or large gallons. These prices are F. O. B. Hamilton; terms, cash with the order. Send 10c. for sample of this Amber Oil.

Our Stanley Sisal Binder Twine, at 10c. per lb., threatens to override everything else on the market this season. Send 2c. for sample, or, better still, send 50c. for sample ball, and name your nearest express office.

For only \$1.50 we sell the best Fruit Tree Sprayer for ordinary fruit gardens that is made. Write for catalogue to

The Best INVESTMENT!

AND WHERE TO GET IT.

The man aged 30 who invests, say \$216 per annum for seven years in a building association, which is honestly managed, which meets with no losses, will in case of death, say after seven years, have provided for his estate to the extent of possibly \$1,000. The man who invests \$216 in the MANUFACTURERS' LIFE will in case of death, the moment the premium upon his policy is paid, have provided for his estate to the extent of nearly \$15,000, if insured on the ten-twenty plan, and the same sum invested in a twenty year endowment will add \$5,000 to his estate at death, and if he lives to complete the payment of his twenty yearly premiums he will then have in hand very nearly as much money, IN ADDITION TO HIS POLICY OF \$5,000, as if he had taken the building association stock!
