TRADE NOTES.

"TEA KING" IS IN CHICAGO.—

Ceylon and India product replacing China and Japan leaves, declares P. C. Larkin. P. C. Larkin, of Toronto, the "Tea King of America," arrived yesterday at the Auditorium Annex on one of his semi-annual tours of the United States. Mr. Larkin earned his title by making himself one of the highest authorities on all matters pertaining to tea. During the years he was making himself an expert on the tea question, he incidentally built up the Salada Company, of which he is the head, and which probably imports more of the fragrant leaves than any other one firm. In talking of trade conditions between the United States and the Eastern tea-producing countries, Mr. Larkin declared the time is not far distant when teas grown in Ceylon and India will take the place of the Chinese and Japanese products.

"The teas from India and Ceylon have only been introduced in America within the last few years," he said, "but the rapidity of the growth of their use since has been so great that it is only a matter of time until we must cease to import the Chinese and Japanese article."—[From the Chicago Tribune.

ENORMOUS DEMAND FOR DR. CHASE'S REMEDIES.—148,575 boxes sold during September in the Dominion of Canada alone, making a grand total of 1,782,900 boxes in one year. Estimating the population of Canada at 5,500,000, and allowing five persons to each family, this figures out more than one and one-half boxes for each household throughout the entire Dominion. There would scarcely need be better evidence as to the esteem in which these great family medicines are held by the people.

And why this wonderful confidence in Dr. Chase?

Because of his extraordinary ability and skill as a practicing physician; because of his integrity and honesty of purpose as a man; because of the reliability of his now world-famous recipe book, and because of the proven merit of the great family medicines which he so generously placed on the market, so that all might benefit by his experience and the result of his life-work as healer of the sick.

The manufacturers of Dr. Chase's remedies have such confidence in these medicines that each one was introduced by means of free samples. Hence the wonderful popularity of Dr. Chase's Kidney-Liver Pills, Ointment, Nerve Food and other preparations.

Just now Dr. Chase's Backache Plaster is being introduced into Canada. They are sold by dealers at 25 cents each, but in order that all may test their extraordinary control over pains and aches of all kinds we will send one plaster free of charge to anyone who will enclose five cents in stamps or silver, and mention this paper. GOSSIP.

Henry Talbot, of Lacombe, Alberta, is one of the leading Shorthorn breeders of that noted Shorthorn stronghold. His bunch of young heifers, when recently seen in the pasture by a representative of the "Farmer's Advocate," was a truly fine lot, combining size with superior quality. Duke of Idleywild =41033=, got by Royal McGregor, dam Mabel by Commander, grandam Jenny Flynn by Baron (imp.), is the bull in use at present. He is an impressive sire, having this year given his owner a fine lot of promising calves. Some of the yearlings are by him, and the balance by Hillcrest Prince. Miss Abercrombie, got by White Stockings, dam Abercrombie Lass by Orten, grandam Lady Abercrombie by Baron (imp.), is one of the kind in demand. She is of compact form, true Scotch type, and very smooth. Miss Kent, two years old, got by Hillcrest Prince, dam Fanny Kent, by 8th Duke of Kent, is a noble-looking heifer. Mr. Talbot has 100 head of Shorthorns that would be a credit to any breeder. During the summer just past, he erected a splendid large barn and stable, one of the best in the neighborhood. He is making provision to give his valuable herd the care they justly merit.
