ing 8 and 26, not reserved, may be homesteaded by

male over 18 years of age, to the extent of one-
quarter section of 160 acres, more or less.Application for entry must be made in person
by the applicant at a Dominion Lands Agency
or Sub-agency for the district in which the
land is situated. Entry by proxy may, however
be made at any Agency on certain conditions by

stead duties under one of the following plans:(1) At least six months' residence upon and culti-
vation of the land in each year for three years.(2) A homesteader may, if he so desires, perform
the required residence duties by living on farming land
owned solely by him, not less than eighty (80) acres
in extent, in the vicinity of his homestead. Joint

ed) of a homesteader has permanent residence on
farming land owned solely by him, not less than
eighty (80) acres in extent, in the vicinity of the
homestead, or upon a homestead entered for by him
in the vicinity, such homesteader may perform his
own residence duties by living with the father
(or mother).(4) The term "vicinity" in the two preceding
paragraphs is defined as meaning not more than nine
miles in a direct line, exclusive of the width of road
allowances crossed in the measurement.(5) A homesteader intending to perform his
residence duties in accordance with the above while
living with parents or on farming land owned by
himself must notify the Agent for the district of
such intention.Six months' notice in writing must be given to
