the Others I is how the region for some interest the state of the control of the

with £2,000, the Hanford Read may also be well and sufficiently repaired, (the Someraet people pass through Handford to go to Three Rivers I) and with £2,000, the Bant from Lambou to Locke can be opened in a first rate unmirer. The fact is, that the people of that County have no good and convenient issues to go either to Quebec or Three Rivers. Por the people of Someraet, the Read of Blanford is impassible; for the people of Someraet, the Read of Blanford is impassible; for the people of Nelson, inverses, Hallins, Wulfatown, and breland, the Gosford Road is in the worst state; the Laieds people are excepted, one part of their can reach Quebec in any dime of the year, though the road wants immediate reparations. Boughton, settled farry years ign, him are read whatsever—you cannot go in or go out. Thetford is still worse. Tring, Forsyth, Lambou, Price, Agimer, &c., have a road, but a most daugarous one, and marry impassable, and with £4,000 in first-rate road can be opened from Lake St. Francia to Leeds, and the consequences will be imand with £8,000 a first-rate road can be opened from Lake St. Francis to Leeds, and the consequences will be immense. You cannot imagine the difficulties which the people have to buttle against a man of Launton atways pays the double of the Quotee Market price, and sells always at 50 per cent. Issa than the Market price. If a family stants two barrels of flour, a carter will ask for his journey, the cause quantity—so, if the flour is sold in Quebec at 50s, per barrels, the consumer large four tarrels, gives two to the caster, and receives at his house on the nata read the two others—so he pays 50s, per barrel is able to the caster, and receives at his house on the

the Crown Landa Office holds the entire funds in Lamb The Crown Lands Office holds the entire unds in Lambicol, Price, Aylmer, and Fursyth. That fact was well known to Mr. Lafoutaine, and the lands of these Townships are first rate. Mr. Lafoutaine, if he had not the slipid idea of choking the British accendancy, which proved to be not only an instantity, but a gross injustice, would have endered Mr. Arean to Lamboot, he would have instructed him to make the read in a good and efficient way, and to deliver location tickets to the new comerciant way, and to deliver location tickets to the new comerciant way, and to deliver location tickets to the new commitment of the continuation would have asken deep root in the soil; at Jenni 200 families would have asteled thinber. As I have assured to be a failure, As mormous sum of miney is lost, but Mr. Lafoutaine's friend, Mr. Arean, is making a little forms in the expense of the public cheek. I have no objection that Mr. Arean would remain Commissioner to superjurend the colonizations, but why continue such a
