For the Immediate and Permanent Cure of all
NERVOUS DISEASES,

And of those Complaints which are caused by an impaired, vitiated, or exhausted state of the
NERVOUS SYSTEM.

This beautiful and convenient application of the extraordinary powers of GALVANISM and MAGNETISM, which has been so highly extolled above, can now be had at a moderate price.

Dr. CHRISTIE'S GALVANIC BELT
and
MAGNETIC FLUID,

is used with the most perfect and certain success in all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA, INDIGESTION, RHEUMATISM, GOUT and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS IN THE HEAD, and CHEST, LIVER COMPLAINT, SPINAL COMPLAINTS, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the system, instead of giving it tone; while, on the contrary, the Galvanic Fluid, by vitalising influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and weak and nervous invalid is restored to former health, strength, elasticity and vigour.

The great possibility and excellence of

Dr. Christie's Galvanic Curatives,

consists in the fact that they can be used with safety by persons of both sexes, and every age, without the least inconvenience or exposure, and in many cases can be used without the knowledge of the patient.

75,000 Persons

including all ages, classes and conditions, among whom there is a large number of ladies, who are most thankfully subject to the above complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and everything else had been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous Complaint. In the primary or commencing stage, he will experience a feeling of weakness or debility in the nervous system, which soon after the appetite, and temporary relief, but which leaves the patient in a worse state, and with increased debility, than before the use of the stimulant was resorted to. Now compare this pain, the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worst symptoms of an attack, and he will find the Belt and Fluid act as soon as the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will, in a few minutes, create a warm sensation equal to a positive blister. This is succeeded by a continuous delicious sensation throughout the system. These are the first symptoms of DYSPEPSIA IN ITS NERVOUS FORM CURED. A FEW DAYS IS AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CURE OF

Rheumatism, Bronchitis and Dyspepsia.

REV. DR. LANDIS, A CLERGYMAN

of high character, of distinguished attainments and acknowledged reputation:—

Somerset, New Jersey, July 12, 1850.

Dr. A. H. Christie—Dear Sir: I was about to write to you to know if I might use the Galvanic Belt and Fluid in connection with the GALVANIC BELT AND NECKLACE. My reply is as follows:

The great benefit and relief I have derived from your Galvanic Belt and Fluid, after using many remedies for my complaint, without obtaining permanent relief from any course of medical treatment whatever. About fourteen years since, in consequence of frequent exposure in the discharge of my duties as a Presbyterian Clergyman, I became subject to severe Chronic Rheumatism, which for fourteen long years was my constant companion. I became a confirmed invalid in '39 and '40, in consequence of preaching a great deal in my own and various other churches in this region. I was attacked by the disease on the left side, and in a very short time it became an immediate representative of my whole body. My nervous system was rendered completely powerless, and to my horror I became unable to walk, or even stand upon my feet. Under these circumstances, I was induced to try Dr. Sherman's Lozenges, which relieved me in a few days. I then tried Brandreth's Pills, which relieved me in a few days more. I then tried Holloway's Ointment and Pills, which relieved me in a few days more. I then tried Dr. Brandreth's Pills, which relieved me in a few days more. I then tried Dr. Sherman's Lozenges
