THRASHING MACHINES.

LETTERS PATENT.

TIME AND LABOR SAVED IS MONEY EARNED.

THE subscribers having retained to themselves the exclusive right of manufacturing and vending in Canada, to use within the territory of Upper and Lower Canada,

SEVERANCE'S CELEBRATED IMPROVED HORSE POWER & THRASHING MACHINE,

one of the most valuable time and labor saving Machines ever invented by human ingenuity, respectfully inform the public, that they are now prepared to receive orders for the same, to be manufactured at their Establishment, on Wellington Street, extending from Prince to George Street, which gives them more than double the accommodations they have had for the last season, and consequently more than twice as many Machines can be manufactured this year, as could then be supplied. Having had the exclusive charge of the United States Patent for the last three years, they are fully aware of the many improvements that will render the Machine more perfect in every respect, and can now manufacture it in a day, with less expense and with greater expedition, than any other known invention could possibly require two years.

We beg leave to say to the public, that the Machine has been thoroughly tested, and has proved itself to be a Thrashing Machine with an entire superior power to those hitherto manufactured by us.

Our long experience in the trade, and the very liberal patronage we have enjoyed in the sale of our Machines, has, together with a determination to endeavour to produce an article that will merit a still greater share of public favor, enabled us fully to offer the assurance that every improvement that could be made from time to time, will now be introduced in anything that the ingenuity, skill, and experience of the Proprietors, and those in their employ, can suggest. Our Thrashing Machines are unequalled by any in use. And while the price is considered cheap, and none of it lessens the quality of the work, the greatest attention is paid to the workmanship and durability of the Mill or any Machine.

All orders addressed to us or our Agents, Wm. Severance, will be promptly attended to.

We will be happy to treat with Canada, and every one interested to be informed, will please call.

Liberal terms of payment allowed.

WM. SEVERANCE & CO.

Montreal, May 1, 1851. 326
