

Unless early and correct treatment is applied the patient seldom survives when once the disease is fastened upon her. We believe Lydia E. Pinkham's Vegetable Compound is the most efficient treatment for chronic kidney troubles of women, and is the only medicine especially prepared for this purpose.

When a woman is troubled with pain or weight in loins, backache, frequent, painful or scalding urination, swelling of limbs or feet, swelling under the eyes, an uneasy, tired feeling in the region of the kidneys or notices a sediment in the arine, she should lose no time in commencing treatment with Lydia E. Pinkham's Vegetable Compound, as it may be the means of saving her life.

Roy proof, read what Lydia E. Pinkham's Vegetable Compound did for Mrs. Sawyer.

REMAINS OF DUNCAN MONABE DISCOVERED ON MOOSE

MOUNTAIN.

John Kells Ingram, who recently died in Ireland, was chiefly noted as a political economist, but had fame as a professor of English and Greek literature in Trinity College, Dublin. He was editor of scholarly works and of Dublin University's periodical, Hermathena; was a Shakesperian scholar and lecturer on Shakespeare and Tennyson, and had many important non-political offices.

STOUGHTON, Sask., June 7—A mystery is at last solved. The remains of Duncan McNabb who disappeared from Stoughton about 22 months ago were found upon Moose Mountain about six yards from the main trail. The clothes, hat and shoes, with watch and chain were easily recognized by those who knew him well. The remains were found by Mr. Geo. Moreyson. McNabb was At a Berlin academy of science neeting a paper by Prof. Kronecker, of Berne evoked keen interest.
