A CARD

Ladies and Gentlemen Electors of the Village of Athens

As I am holding other municipal offices, I find by the statutes of Ontario that I am debarred from holding the seat as your reeve, and I would most respectfully thank you for the cordial support you gave me by your votes in electing me to that honorable position

I remain, yours truly, IRWIN WILTON

An Ancient Foe

To health and happiness is Scrofula—as ugly as ever since time immemorial

It causes bunces in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption

"Two of my children had scrofula sores which kept growing deeper and kept them from going to school for three months

Ointments and medicines did no good until I began giving them Hood's Sarsaparilla

This medicine caused the sores to heal, and the children have shown no signs of scrofula since" J. W. McGinn, Woodstock, Ont

Hood's Sarsaparilla will rid you of it, radically and permanently, as it has rid thousands
