## Recipe for Scandal Monger

Take a grain of falsehood, a handful of runabout, a sprig of herb of backbite, a teaspoonful of don't you tell it, six drachms of malice, and a few drops of envy. Stir well and let simmer for an hour. Add a little discontent and jealousy, then strain through a bag of misconstruction. Cork it in a bottle of malevolence and hang it on a skein of street yarn. Shake it occasionally for a few days and it will be ready for use. Take a few drops before going out to walk, and you will succeed.

## Sleeplessness

You can't sleep in the calmest and stillest night, if your stomach is weak, circulation poor, and digestion bad. Hood's Sarsaparilla strengthens the stomach, improves the circulation, perfects digestion, and brings about that condition in which sleep is regular and refreshing.

It does not do this in a day, but it does it—has done it in thousands of cases.

## Simplicity's Saving Grace

"I like simplicity," said U. S. Senator Beveridge. "Simplicity saves us a lot of trouble, too."

"Two men met in front of the Blank Hotel the other day and fell into a political argument. They were ordinary, everyday sort of men, but one of them had an extraordinary flow of polysyllabic language. He talked half an hour, and his companion listened in a daze.

"And now," the speaker pompously concluded, "perhaps you will coincide with me!"

"The other's face brightened up. 'Why, yes; thanks, old man' he answered heartily, moving towards the barroom door, 'I don't care if I do.'"
