## BIBLE THOUGHT —FOR TODAY—

DECEMBER 5  
NOT THE WORLD, neither the  
that are in the world. If any  
live in him—1 John 2:15.

DECEMBER 6  
THE BEGINNING WAS THE  
Word and the Word was with God,  
and the Word was God. All things  
made by him, and without him  
not any thing made that was made.  
—John 1:1, 3.

DECEMBER 7  
NO THOUGHT saying, What  
we eat? or, What shall we drink?  
Where shall we be clothed?  
By this first the kingdom of God,  
his righteousness: and all these  
shall be added unto you.—Mat-  
6:31, 33.

DECEMBER 8  
COMMANDMENT I give un-  
to you, that ye love one another: as I  
loved you, that ye also love one  
another. By this shall all men know  
ye are my disciples, if ye have  
love one to another.—John 13:34, 35.

DECEMBER 9  
WILL SWALLOW UP DEATH  
and the Lord God will wipe  
tears from off all faces; and the  
of his people shall be taken away  
off all the earth: for the Lord  
spoken it.—Isaiah 25:8.

DECEMBER 10  
REVIVE THY WORK IN  
MIDST OF THE YEARS.—  
Isaiah 32:19.

DECEMBER 11  
THE LORD GOD IS A SUN  
A SHIELD: THE LORD WILL  
BE GRACE AND GLORY: NO  
THING WILL BE WITH-  
FROM THEM THAT WALK  
RIGHTLY.—Psalm 84:11.

## CHOICE RECIPES

**STUFFING FOR CHICKEN OR TUR-**  
key—Boil giblets until tender. Chop to-  
gether 1 onion, 3 cold boiled potatoes,  
1 cup apple and the giblets. Add 6  
cups of bread which have previously  
been put to soak in cold water, squeeze  
the water and add bread to other  
ingredients. Season with salt, pepper  
and sage and moisten with juice giblets  
are boiled in. If not moist enough,  
add cold water.

**CRANBERRY JELLY**—A combination  
of cranberries and apples is very simply  
made. Use the strain-  
pulp from a quart of cooked cran-  
berries and the strained juice from a  
quart of cooking apples. Cook the com-  
bined juices for 15 minutes, add an  
equal quantity of hot sugar and cook  
about 5 minutes longer.

**MINCE PIE WITH APPLE MERINGUE**—  
Cover a pie plate with flaky pie crust,  
fill with mince meat and cover with  
apple meringue rolled to paperlike thin-  
ness, and bake. When ready to serve,  
cover with thick apple meringue, sprinkle  
with chopped nuts and place in a cool  
oven until the meringue is faintly brown.

## BROWN CLOTH COSTUME FEAT- URES LOVELY TAN SILK BLOUSES

The costume above is suitable for  
wear at any time of day. It makes  
a stunning street costume, and with  
the coat removed, a desirable outfit  
for afternoon tea.  
Soft brown cloth makes the skirt  
and jacket. Rows of ten bone but-  
tons trim the skirt and sleeves.  
The tan silk blouse is embroid-  
ered in colors, chiefly browns and  
rouges and russets.

Answer to Last Week's Puzzle

**APPLE MERINGUE**—Peel and grate  
one large tart apple, sprinkle over it 1  
cupful of powdered sugar as it is grated  
to keep it from turning dark. Break  
into this 2 egg whites and beat moder-  
ately for 20 minutes.

**MAPLE PRALINES**—Melt 1 pound map-  
le sugar with 1 cupful of boiling water.  
When the sugar is dissolved add 1 cup-  
ful of rich milk, cook until it forms a  
soft ball, and beat until creamy. Then  
add to the candy 2 cupfuls of pecan  
nuts that have been crisped in the  
oven. Drop by the spoonful in rounds  
on wax paper.

**HOG HEAD MINGE**—To the tenderly  
cooked head of one hog, add 2 pounds  
of cooked dried apples, 2 pounds raisins,  
and 2 teaspoons of allspice, cinnamon  
and nutmeg. Put meat, apples and  
raisins and the outside of a lemon and  
orange peel through a food chopper.  
First peel off the white part of the orange  
and lemon. Chop fruit fine and add to  
the chopped meat, etc. Any syrup  
from preserves or pickled peaches may  
be added. Heat to the boiling point.  
Now put in cans and seal and put in  
boiler, as for other canning. Boil 15  
minutes. When making pie, add a  
tablespoon molasses and vinegar.

## THE FIRST LOOK AT LIFE

Many persons who are not parents  
will be. Being a parent is a large slice  
of life, and the way to win at being a  
parent is to have successful children.  
During the past only the very few have  
realized that a child's life is affected  
more before the fifth year is reached  
than ever after. Nine out of ten parents  
still fail to realize how quickly the hu-  
man offspring becomes a thinking be-  
ing. Personality, character, thinking  
machinery, all begin to open up almost  
when the eyes are open.  
In other words, the child's first look  
at life—long before parents usually  
dream that it makes much difference  
what the child hears or sees—is as im-  
portant as anything connected with the  
future of the race, with the home, with  
the parents, with you.

The one visitor to your home who  
should always see you at your best is  
your own baby. A whole lifetime may  
be made successful or twisted out of  
shape by a few months of the right  
kind or the wrong kind of a first look  
at life.

## DID YOU EVER STOP TO THINK

(By E. R. Waite, Secretary, Shawnee,  
Okla., Board of Commerce.)

THAT the grocery of advertised eats  
is the place to buy.

THAT their purchases are carefully  
made on the best markets at the lowest  
prices.

THAT they keep nothing but new,  
fresh provisions of the best quality pro-  
curable.

THAT they keep their stock fresh by  
quick turnover.

THAT they make quick turnovers  
and keep their stock fresh by ADVERTIS-  
ING.

THAT newspaper advertising is the  
market place for the housewife.

THAT she reads the ads to find what  
is on the market and where to buy it.

THAT she buys from the stores that  
are enterprising enough to let her know  
what they have.

THAT the ads of the grocery stores  
are short greetings but they are cordial  
greetings.  
THAT they save time.  
THAT they save money.  
THAT they are ABSOLUTELY  
SURE.  
YOU GET QUALITY EATS AT  
THE RIGHT PRICES AT THE STORE  
THAT ADVERTISES.

## HOUSEHOLD OIL-CAN

At least once a month should the  
bearings of the house be looked after.  
Only a drop or two of oil is required for  
each bearing, but none should be over-  
looked—the washing machine, the cloth-  
es wringer, the food grinder, the ice-  
cream freezer, the egg-beater, the scales,  
the baby's go-cart and scores of other  
things about the home. Any oil re-  
maining on the outside of the bearing  
must be removed with a cloth, or it  
will collect dust and stain the clothes  
coming in contact with it. A certain  
housewife who left the ice-cream freezer  
and meat grinder out of the monthly  
oiling for a long time, fearing that is  
some way the oil might find its way in-  
to the food, found on careful examina-  
tion of the construction of these ma-  
chines that this danger has been guar-  
anteed against. The labor of turning them  
can certainly be reduced by lubrication.  
When going about with the oil-can  
remember that a few drops of oil in the  
window fastenings causes them to work  
easily. The nerve exhaustion of a daily  
tussle with a sticking, screaming win-  
dow can be eliminated by a few drops  
of oil on the window pulleys.

## THE ART OF AGRICULTURE

All hail the art, to which we owe  
White 'er gives happiness below:  
The source of all in church or state.  
For should our agriculture stop,  
Society must shut up shop;  
Our brightest celles and beaux must  
please.

To dwell in caves and hollow trees;  
On roots and acorns dine, like shoats.  
And sup on leaves and buds, like goats.  
Woodchucks would burrow in the street.  
And gaunt wolves prowled where mer-  
chants meet!  
Churches by catamounts be haunted,  
And gruff bears growl where hymns are  
chantied,  
Owls hoot church airs with pipe son-  
orous.  
And croaking crows caw caw the chorus!

Should cultivators fail, their fall  
Would implicate and ruin all;  
For as old Atlas bears the pack  
Of all the heavens on his broad back.

The farmer by his care and pains  
The sublimity world sustains;  
And if by some mischance he stumbles,  
The whole wide world to ruin tumbles!  
—T. G. Fessenden.

## CLEANING TAPESTRY

For cleaning tapestry curtains and up-  
holstery an improvement can be effected  
by the use of bran to which a little salt  
has been added. Fill a large bowl with  
the bran and put this into an oven to  
heat. When the bran has become warm  
all through add a small handful of table  
salt, mixing the two ingredients well  
together.

This mixture must be gently rubbed  
into the tapestry, care being taken to  
discard the bran when it shows signs  
of being dirty.

The bran will clean the material and  
through the addition of the salt a marked  
effect will be noticed on the colors.
