"Take a hole and put some dough around it, then fry in lard." This simple recipe has brought thousands to grief, just because of the frying in lard, which as we all know hinders digestion. In all recipes where you have used lard, try

Cottolene

the new vegetable shortening and you will be surprised at the delightful and healthful results. It is without unpleasant odor, unpleasant flavor or unpleasant results. With COTTOLENE in your kitchen, the young, the delicate and the dyspeptic can all enjoy the regular family bill of fare.

Dear Sirs—Please send me one of your Horse Books and oblige. I have used a great deal of your Kendall's Spavin Cure with good success; it is a wonderful medicine. I once had a mare that had an Occult Spavin and five bottles cured her. I keep a bottle on hand all the time.
Yours truly, CHAS. POWELL.

not, went to Fort Covington, N. Y., where she had some relatives, and engaged as nurse. Even this light employment, however, proved too much for her and in the spring she returned to her parents a perfect wreck, with nothing to do but die, as she thought. But when least expected aid was at hand. Mr. Haines had been reading of the marvellous cures made by Dr. Williams' Pink Pills for Pale People, and reasoned within himself that if they had cured others they might save his daughter's life. On the next visit to Cornwall he bought a half dozen boxes of Pink Pills. It may be easily imagined that Miss Haines required little persuasion to try the much talked of remedy, and well for her it was that she did so. In the course of a week she felt an improvement. By the time she had taken two and a half boxes she realized that she was experiencing such health as she had never known before, and her friends began to remark and congratulate her on the change in her appearance. Still persevering in the use of the pills, she found herself when at the end of the fifth box in perfect health and able to engage in all the work of the household and the amusements from which she had up to that time been debarred. She had an excellent appetite and no one could wish to feel better. Hearing of the marvellous change, her sister from Fort Covington came over to satisfy herself, and could hardly be persuaded that the robust, happy looking girl was indeed her sister whom she had never expected to see alive again. Miss Haines says she cannot say enough in favor of Dr. Williams' wonderful Pink Pills, to which she feels assured she owes her life.

Dr. Williams' Pink Pills are an unfailing cure for all troubles resulting from poverty of the blood or shattered nerves and where given a fair trial they never fail in cases like the above related. Sold by all dealers, or sent postpaid at 50 cents a box, or 6 boxes for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N. Y. See that the registered trade mark is on all packages.

OTTAWA, April 26th.—In reply to Mr. Mulock, Hon. Mr. Haggart said the gross earnings of the Caraquet railway for the year ending June 1894 were $8,083 and the expenditures $18,389.

After pretty well cleaning up the order paper the house adjourned at six o'clock till Monday.

OTTAWA, April 29.—Hon. Mr. Foster introduced the estimates before the house adjourned at six o'clock.

THE ESTIMATES.

The estimates for the fiscal year ending June 30, 1896, show the following among the decreases:

Civic service examiners salaries, etc., $3,000, and in contingencies of civil government, $9,203.

In the expenses of the privy council there is a net reduction of $1,100; $1,700 in the department of the secretary of state, $2,500 in the interior department; $900 in the militia department, $500 in the auditor general's office, $700 in the finance department, $1,300 in the customs, $750 in the inland revenue, $200 in the post office department, $2,000 in the agricultural office, $500 in the department of Marine, and $250 in the printing bureau.

The total saving under the head of civic government is $30,154.

The penitentiaries grants show a total decrease of $36,268, but Dorchester gets $1,799 of an increase.

Legislation shows a reduction of $22,636.

Arts and agriculture, $3,400; quarantine, 33,743; immigration, $72,433; pensions, $142; militia, $263,308.

The subsidy to the steamers from Halifax and St. John to the West Indies and South America is reduced from $103,000 to 86,000; that for steam navigation to P. E. Island is cut down $2,000.

The total decrease under the ocean and river service is $57,160.

The lighthouse and coast service is cut down by about $68,000, of which $1,600 is in the St. John agency.

There is a saving of $20,675 in the amount to be voted for fisheries, the reduction in New Brunswick and P. E. Island being $1,000 for each province, but Nova Scotia remains as last year; $15,129 are lopped off the geological survey; $85,325 off the department of Indian affairs and $155,000 off the Northwest mounted police.

In the collection of customs expenses there is a cut of over $50,000; $25,000 in culling timber; $21,737 in excise; $300 in weights and measures.

In the post office outside service there is a decrease of $470 in the Nova Scotia division, $320 in the Fredericton post office, $112.50 for letter carriers and $352.50 for messenger in the St. John office, $1,140 in the Halifax office, $2,180 in the Charlottetown office.

The total cut for salaries in the post office salary list is $17,965. A little over 20,000 is lopped off the grant for dominion lands chargeable to income, and $25,000 from dominion lands chargeable to capital.

A CAREFUL STUDENT OF SOCIAL REFORM.

REV. W. GALBRAITH, LL. B., PASTOR OF ELM STREET METHODIST CHURCH, TORONTO, HAS A GOOD WORD TO SAY OF DR. AGNEW'S CATARRHAL POWDER.

The Rev. Wm. Galbraith, LL. B., is one of the thoughtful preachers of the day. The active interest he has taken in questions of social reform has given him wide influence outside of his own church, where his influence is undisputed. His mind is of the kind that thinks out a problem, and then he is able to speak with force and intelligence. He is to be credited with examining Dr. Agnew's Catarrhal Powder, with the same bent of mind. And what does he say? That in this medicine he has found a remedy that gives quick relief for cold in the head, which is so uncomfortable to every body, and giving relief there it helps, perhaps, more than any other remedy to stave off the effects that come from catarrhal trouble.

One short puff of breath through the Blower, supplied with each bottle of Dr. Agnew's Catarrhal Powder, diffuses this Powder over the surface of the nasal passages. Painless and delightful to use it relieves in ten minutes, and permanently cures Catarrh, Hay Fever, Colds, Headache, Sore Throat, Tonsilitis, and Deafness. 60 cents. Sample bottle with blower sent free on receipt of two three cent stamps. S. G. Detchon, 44 Church St. Toronto. Sold by E. Lee Street.

DOCTORS AND FLY BLISTERS FAIL.

BUT ONE DOSE OF SOUTH AMERICAN RHEUMATIC CURE RELIEVES, AND HALF A BOTTLE CURES.

Robert E. Gibson, Pembroke's well known merchant: "I contracted rheumatism in a very severe form in 1888, and have suffered untold misery each spring since. I have repeatedly applied fly blisters with but little success. Doctors whom I consulted likewise failed to relieve. I was induced to try South American Rheumatic Cure by Mr. W. F. C Bethel, of the Dickson Drug Company. The first dose gave instant relief, and half a bottle cured.,

As a cure for rheumatism, this remedy is certainly peerless. Sold by E. Lee Street.

TRIED, TESTED AND TRUE.

THOUSANDS KNOW OF THE QUICK AND CERTAIN RELIEF THAT COMES FROM SOUTH AMERICAN KIDNEY CURE.

This medicine will not cure all the ills the flesh is heir to, but it will cure kidney trouble of whatever kind—no case too aggravated. It will cure speedily—sure relief in six hours. It is rich in healing powers, and whilst it quickly gives ease, where pain existed before, it also gives strength to the weak and deranged organs, making the cure complete and lasting. Thousands who know what South American Kidney Cure has done for them will tell you so. Sold by E. Lee Street.

AGONIZING, TRANSFIXING PAIN.

The most excruciating pain known is perhaps caused by Angina Pectoris, which is most to be dreaded of any of the diseases of the heart. It distinguishes itself especially by pain, and by pain which is best described as agonizing. The pain literally transfixes the patient, generally radiating from the heart to the left shoulder and down the arm. The face shows the picture of terror, and is either deathly white, or livid. To a person suffering from this species of heart trouble or from palpitation or fluttering of the heart, shortness of breath, or smothering spells, the value of Dr. Agnew's Cure for the Heart cannot be estimated, as it will give relief in 30 minutes in every case, and if judiciously used, effect a cure. Dr. Agnew's Cure for the Heart is the greatest life saving remedy of the age. Sold by E. Lee Street.
