RELIEF AT HAND

for the watch that you value so highly. You'll make no mistake in bringing it here, as our skill in Watch Repairing

has been gained by years of experience. A good watch can easily be injured by slip-shod work for "low prices." But we do perfect work for an honest price, and return every watch in as good condition as expert repairing can put it. Watch results.

Wrestler Killed.

By a band of Bulgarian bandits.

Chicago, Oct. 25.—Yussif Mahmoud, a Bulgarian wrestler who has met a number of American mat men, including Frank Gotch, by whom he was defeated, was killed by a band of Bulgarian bandits in the mountains near Silistria, his home, according to a story told by two Turkish wrestlers arriving here to-day.

Mahout was a petty officer in the Bulgarian army during the late war, and according to their story went to the town to draw some money to pay off the men in his command.

Sixteen bandits learning the purpose of his trip waylaid him on his return, but because Mahmoud had procured only orders instead of gold coin they killed him. The murder of Mahmoud took place three weeks ago.

If you have not yet resired your J. & J. Utility Kit, come along for it at once. We have not many left, and they are going fast. And no wonder for those Utility Kits are about the best value in anything of the kind we have ever been able to offer. A compact, useful and convenient little medicine chest for twenty-five cents.

Field Violets Talcum will repay you in value. It is smooth, soft toilet powder, and has a really exquisite perfume. It fully vies with the twin sister Massaita, as a Talcum, and both are the leading talcums. Price 25c.

Sailors' Fight.

At 12.30 p.m. to-day, an altercation took place between two sailors named Greene and Kehoe, which resulted in the former being pushed through Phelan's window, on the corner of Adelaide and Water Streets. Greene is mate of the Gladys E. Whidden, and was endeavoring to get his crew on board in order to sail at 1 o'clock and it appears made some remarks concerning Newfoundlanders, which Kehoe resented. They argued for a little time, when Kehoe suddenly struck Greene, driving him through the window heretofore mentioned, smashing it completely. One of the falling pieces landed on Greene's forehead inflicting an ugly gash. He was hurriedly taken to the Central Pharmacy where the wound was dressed.
