## St. Patrick's Day Events.

#### B. I. S. PARADE.

The annual parade of the Benevolent Irish Society was held yesterday to celebrate the 108th anniversary of its foundation. The Society, numbering about 300 strong, attended High Mass at St. Patrick's Church. After Mass brief speeches were made from the church steps by Rev. Fr. McDermott, Monsignor Roche, Rev. Bro. A. P. Kennedy, and Vice-President J. C. Pippy of the B. I. S. After re-forming ranks the society proceeded to Government House where the respects of the society were tendered. His Excellency by Vice-President Pippy. His Excellency replied, and referring to the good work of the institution, wished the society a continuance of success, after which the body returned to the hall. Excellent music was discoursed by the C. C. C. and City Bands during the parade which was a record in the annals of the B. I. Society.

#### AT ST. PATRICK'S CHURCH.

Yesterday being the Feast of the Patron Saint of Ireland, the Benevolent Irish Society attended Mass at the above named Church. The celebrant was the Rev. Father Sears, and the Rev. Father Conway delivered an eloquent sermon on the life and works of the great Apostle of Ireland.

The singing of the choir under the direction of Mr. P. J. McCarthy, was a revelation to many of the strangers who were present, and reflects great credit on Mr. McCarthy, who by his painstaking application has brought this choir to such a high state of efficiency. It is to be hoped that Mr. McCarthy will soon have an instrument worthy of his talent and ability. The O'Sullivan was rendered by Mrs. T. P. Jackman, and the present writer who has not heard this talented lady for some years, was pleased to find that her voice has lost nothing in volume and sweetness. The grand Altar was artistically decorated, and was worthy of the highest admiration. The festooning and decorations were the work of the Nuns, under the supervision of Sister Mary Margaret, who devotes a great part of her time in beautifying the interior of St. Patrick's.—Com.

#### TASKER CELEBRATION.

The annual Tasker Celebration was held at the British Hall yesterday, amongst those present being Lady and Miss Whiteway, Past Grand Master, J. A. Chitt and C. R. Duder, P.D.G.M., John Cowan, P.D.G.S., and the members of the committee. Over 600 children were entertained with a lantern exhibition and other amusements after which an excellent repast was supplied to which the children did ample justice. The catering was attended to by F. B. Wood, and the music was furnished by Power's orchestra.

#### Hr. Grace Fotes.

Mrs. John L. Oke went to St. John's by Saturday's early train on a visit to her sister and other friends. Mr. Oke went out by this morning's train and will return with Mrs. Oke on Wednesday.

The Bell Island steamer arrived at 1 o'clock to-day, and took quite a number of men to the island.

The funeral of the late Mrs. John Lynch took place yesterday afternoon and was largely attended.

The harbor ferry boat Muriel, is being nicely fitted up for her work the coming summer. The old custom of having to sit around the boat, open to sprays, rain, wind, etc., is to be a thing of the past, as a very nice cabin is being fitted up on the new ferry. Mr. George W. Pynn, and Mr. John Power had the work in hands and were doing excellent work, but some little alteration took place between the captain of the ferry, Mr. Ernest Sheppard, and Mr. Pynn, on Saturday, and the letter (who is a thorough mechanic) left the job.

Dr. Cron is now on Bell Island attending to the practice of Dr. Carnochan, during his visit to Nova Scotia.

## SEALING NEWS.

As it is customary for something interesting to occur in sealing circles about St. Patrick's Day, the city was astir yesterday, everybody seeming hungry for the latest news from the sealing fleet. Since going to press on Monday, the following messages were received:

**FROM NEPTUNE.**  
"Neptune 40 miles N. by E. Grindstone. Sighted Viking on 16th; foggy S.S.E.; no seals yet; all well."

Mr. J. S. Munn received brief messages from the Stephano and Florizel, stating that in effect that neither ship had struck the main body of seals.

**FROM BELLAVENTURE.**  
"With Neocope and Stephano, position very little changed; ice heavy and tight."

**FROM BONAVENTURE.**  
"In company with Eagle, Sagona and Florizel; not much change in position; ice heavy and tight."

**FROM HERRING NECK.**  
"Four steamers passed here at 2 p.m. to-day supposed to be the Fogota, Eagle and two steel ships. They cut out in a north-easterly direction from Twillingate, Gull Island. Ice a little slack. Wind W."

N.W. Bloodhound, Diana and Kite worked out N.E. slowly this morning."

Ice moving off; 5 steamers sighted about 20 miles off, apparently cutting north.

**FROM FOGO.**  
Ice slacking off. Bloodhound, Fogota, Kite and Ranger in sight; Bloodhound struck hoods yesterday 20 miles north of Fogo.

**FROM NASCOPIE.**  
Poor progress to-day, jammed all day, just got clear at night; saw few old harks this evening; rest of ships gone ahead about 5 miles, not drifted together; other ships got clear and left us jammed; all hands on ice blasting and prizing.

**FROM BEOTHIC.**  
Made no progress this morning, made good progress this afternoon, position 15 miles S. E. by S. Grey Islands; saw good sign of old harks this evening late; Bella-venture, Nascope, Stephano in company, ship in good condition.

**FROM TWILLINGATE.**  
Four steel ships now at Twillingate, Gull Island, forcing through ice; Diana jammed about 20 miles off.

**FROM STEPHANO.**  
Position 9 p.m. last night, 6 miles south of Grey Islands, thin ice; stopped for the night; Bella-venture, Beothic alongside; Nascope got jammed 15 miles S.E.; hope better news to-morrow.

**FROM FLORIZEL.**  
Florizel, Bloodhound, Bonaventure, Adventure, Sagona, jammed close by Twillingate Long Point; believe chances good for getting around Bay when ships get free.

**FROM TWILLINGATE.**  
Four steel ships came from Eastward now at Twillingate, Gull Island, forcing slowly through ice; think they will get around Long Point; prospects good for Cape John; suppose Florizel, Adventure, Bella-venture and Sagona; others coming behind; Bloodhound gone across the Bay; Diana jammed 20 miles off.
