The state of the s

of the Society shows that the sending of the Book makes rapid the spread of

sion work. We cannot have mor-

respect one of the greatest fac

citizenship. Its biography is also

ers after truth, and He is the magnet to which all are drawn. The Bible

should be in the hands of all peoples. Rev. E. W. Forhes, B.A., seconded the adoption of the report, and ex-

pressed himself as in accord with the

mony from China and India. In the

of His Excellency. The latter in re

The 30,000 volumes in fifty of from Red Island, exclusive, to put back to the Western Islands languages, remaining in the city were bought up quickly by the soldiers. The Society hopes to commemorate the deliverance of the city by erecting a new Bible House there. The sales of the Scriptures in Great Britain show ed an increase of £7,000 last year, and £4,000 abroad. The Nfld. Auxiliary raised \$1,687.55 during 1918, an increase of \$203 over 1917. At the local depository 2004 copies were sold at a value of \$739, and 800 copies of the khaki testament were distributed among the soldiers. Reference was also made in the report to the visit last year of the District Secretary, Rev. H. R. Boyer, who will likely vis-

it here again this season. So far no

announcement has been received of

the time or place of meeting of the

Canadian Auxiliary, at which New-

foundland will be represented by

Rev. D. B. Hemmeon. It is the duty

of the Society to supply the Word of

God, which suggests that peace which

we should be wise and seek to-day.

In the absence of Mr. R. A. Tem-

pleton, the financial report was pre-

sented by Mr. Geo. Peters, and was of

His Lordship Bishop White, in mov-

ing the adotpion of the report, men-

tioned the occasion was the first on

which he had been privileged to at-

tend as Bishop. He strongly favored

the objects of the Society, and dwelt

on the great effect the Peace Confer-

ence will have in moulding what the world is to be. The findings of those

engaged in the deliberations will be the most pregnant document since the

new testament. There is a bright fu-

ture for Christian missions, of which

The recent death of Dr. Tanner, the terest in the old controversy as to are much easier to keep clean. Wind northwest, light, weather how long a man can live without eatlear, ice moving off slowly. The s.s.

Graciana is working through ice in-The record for professional fastward bound, at 11.30 a.m. Bar. 29.22; ing is claimed by Sacco, who, at Manchester some years back, went without food for fifty-six days. When, later on, however, he attempted to repeat the experiment at Olympia, under very strict conditions, he failed to carry on beyond the forty-fifth

> ty days, and both Jacques and Succi, professional fasting men, have exceeded his record. Jacques endured a fast of fifty days at the London Aquarium in 1891, the year after Succi had endured one of forty-five days. Fasting for health's sake had a great vogue in America some years ago, among the converts to the new cult being Mr. Upton Sinclair, the novelist, who underwent several fasts of from ten to fifteen days. Other enthusiasts, including at least two women, abstained from food for periods varying from ten to forty five days, and claimed to be the bet-

The craze quickly ended, howwever, when two or three of the "health fasters," as they were termed, died.
