ST. ROBERT'S COMPANY.

Withstanding the stormy weather, the C. L. B. Cadet Company are putting lots of energy into their work. Unfortunately the annual inspection arranged to take place this winter by Lt.-Colonel McGeachie, Officer Commanding at St. John's, had to be postponed on account of the railway blockade. The first opportunity when the railway service is on schedule again, the C. L. B. Cadets, Lieuts. Chas. Butt, and other officers have been put on their feet. In excellent order this year and Bandmaster Morgan, with his musical artists are making magnificent progress in this line. On the 21st, the Band, under Sergeant Morgan, gave a musicale when \$100 dollars was added to the fund. On the following day, the C. L. B. Messes, Messes, and the Officers' Messes, combined and gave an "At Home" in the hall. The C. L. B. Messes were extended to all Brigade members and helpers, and this the

first "At Home" was such an unequalled success that it will in future be annually repeated. A musical programme in which the youth and beauty of St. John's took a leading part, assisted by Lance-Corporal Jack Parsons and the Band made up a first class entertainment. Mrs. Crosbie kindly acted as hostess with much acceptance and grace, assisted by the wives of the officers and other lady friends. We hope they will now form a C. L. B. Ladies' Auxiliary and organize for future work.

We were glad to see at the "At Home" in uniform the officers of the Boys Scouts, who were officially the guests of the Officers' Mess. We congratulate H. Co. Bay Roberts, on their progress and success, particularly all the ladies of the committee and to Bandmaster Morgan and his musical artists.

BELL ISLAND.

News from Wabana, J. Company, is bright and cheery. The island is ice bound but the work of the C. L. B. marches steadily on. The starting of work in the mines is helping to put everybody in better humor, and this is reflected everywhere. The men going into the No. 2 slope and submarine actually cheered for joy starting into work again. Major Lindsay, Officer Commanding, is busy as usual and has had manufactured some gymnastic apparatus and is instructing the lads in these new stunts so that during the spring a big athletic exhibition will

be given the public. The Band continue to improve in their musical practices and Bandmaster Martin expects to have all his men in band uniforms' official uniform at Easter. We wish our crackerjack company at Bell Island the best of luck. Carry on boys, carry on!—Q.

NOTE OF THANKS.—The family of the late Stephen S. Cramm, Old Perlick, wish to thank all the kind friends in St. John's and outports who sent messages and letters of sympathy on the death of their dear father. They also wish to thank the many neighbours who helped by their kindness to console them in their bereavement.—adv.

Harbor Grace Notes.

Our first mail for upwards of two weeks, with the exception of that brought by the "Martinside" Aeroplane, came along yesterday, Thursday; the train from St. John's arrived about 4 p.m., bringing a very large mail, which was most acceptable after so long time being shut off by the prevailing condition of the railway line caused by the severe storms of snow, and keen frost.

An old and highly respected resident of Bristol's Hope passed away to rest on Sunday, 26th ult. in the person of Mr. Nicholas Peddie. He was well known, and had reached the good old age of 88 years. Many will remember the many fine "poems" which were the product of his mind and pen. The funeral was held on Tuesday, and was attended by a large concourse of people. Interment was made in the Methodist cemetery here. Rev. W. H. Browning performing the last rites. Four sons and three daughters survive him, also a large number of grand children and great grand children.

On Saturday morning last, 26th ult., there passed away, at her home, Water Street, West, Elizabeth, wife of Mr. Jordan Sheppard. She had been ill for some time, yet it was not believed that the end was so near, and her death is

deeply regretted by her family and large circle of friends. She was a worthy member of the Women's Association of St. Paul's Church and her loss will be much felt by the association. To her husband, four daughters, Mrs. Jas. Sheppard of Boston, Mrs. F. Veitman, and Misses Beatrice and Hettie of this town; and also her son, Robert, residing here, we offer that sympathy, which will in some measure, help to assuage the grief occasioned by the passing of their beloved, wife and mother. Funeral was held on Monday last, and was well attended. Her remains were laid to rest in the Church of England Cemetery, Rev. W. R. J. Heggitt conducting the service at the Church and Graveside.

The death of Mr. Michael Lynch, a resident of the West End, took place there on Sunday last, after a brief period of illness. Funeral was held on Tuesday, interment being made in the R. C. Cemetery. The bereaved family have our sympathy in their loss.

Nurse Nellie Dwyer of the General Hospital, St. John's, is in town on a visit to her parents, Sgt. and Mrs. Dwyer. She will leave for Boston shortly to further her studies in that high calling—the nursing profession.

Parties who had been held up here owing to no trains moving, took advantage of the open Railway line the last couple of days, and made a speedy

get-away, are another blockade. We are anticipating, nevertheless, that conditions will improve, now that March has come in.

The result of the Road Board Election of Friday Feb. 24, ult., is that the following nine candidates will comprise the Board:—Robert French, Wm. Carson, Ernest Simmons, William H. Hunt, Henry Hennessey, Thomas Noseworthy, John Dove, William Harris, James Power.

A meeting of the Road Board was held on Monday night and the first above mentioned, via Mr. Robert French was elected Chairman, with Mr. William Carson, Deputy Chairman.

A very fine Concert was held in the Church of England, new School Building, on the South Side, on Monday night last. It consisted of Songs, Recitations and Dialogues. Supper was served at the close of the performance, and dancing kept up until the wee small hours. A number from this side of the harbor, took advantage of the fine bridge of ice which we have had for the last two or three weeks, and went over to the Concert. It was well patronized, and the proceeds were very good.

Hockey Notes.

GIRLS' GAME.

Excitement reigned supreme during the girls' hockey game which was played at the Prince's Rink on Saturday night between teams from Bishop Spencer and the Methodist Colleges. The latter won by 2 goals to all. An referee, Cole Cahill gave still more evidence of his versatile talents. He dealt most impartially with the opposing teams and as he practically ignored off sides and other trides of this sort, he proved a very popular official. The speed at which the game was played was equal to that of any league game, and the puck was usually sent along the ice in relays. This was made possible by each captain stationing players at intervals along the length of the rink, and the puck would start from one goal and be sent along in relays until it reached the other end. This was only one of the novel features which helped to make the game interesting from the spectator's point of view. One of the others was when the referee fell down.

FIRST TIE-UP GAME.

The first game in the Tie-Cup series takes place on Wednesday. The contesting teams are the Terra Novas and St. Bon's. Last year the Tie-cup was won by the Terra Novas, who will undoubtedly make a big effort to carry it off again.

INTER-CLUB HOCKEY.

After general skating Saturday night a hockey match was played between teams from the B.I.S. and Knights of Columbus. Despite rather heavy ice, a splendid exhibition was given. The game resulted in a win for the B.I.S. by a score of 10 to 3.
