

A PRACTICAL JOKE.—The Weekly Ontario says. A fifty-cent joke was played upon one of our citizens (jeweller) on Saturday last. A certain party had that day bought a pair of eye-glasses from the jeweller's store in his absence paying the sum of 75 cents for them. The buyer then went to the other side of the street and watched his opportunity. A chance soon offered itself: the proprietor was walking in front of his establishment. The buyer of the spectacles came and showed them to him, saying he had bought them from a pedlar for 75 cents; and wanted to know what he would charge for the same kind. The jeweller replied that he could plenty of them at 25 cents per pair "all right" said the purchaser, and stepping to the door he said: "Knock off 50 cents from these—the boss says they are only 25 cents per pair." The jeweller looked rather chop-fallen.

BREAKFAST.—Epps's Cocoa.—GATEFELL AND COMPANY.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is a most healthful and stomachic food. Made simply with Boiling Water or Milk. Each packet is labelled—"JAMES EPPS & CO., Homoeopathic Chemists, London."

IMPROVE—NUTRITION.—The central idea in the treatment of all Chronic Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve Nutrition and Assimilation of Food, and the formation of Healthy Blood. Dr. WIGGLES' COMPOUND EXTRACT OF PROSELYTES AND CALIFORNIA BARKS are the only agents known that act directly as excitants of nutrition, by imparting tone to the stomach, liver, and pancreas, the great triad that prepares nourishment for building up the organs and tissues of the body. The action of these remarkable preparations is extraordinary in strengthening and vitalizing the constitution, whether impaired by age, exhausted by excess, debilitated by overwork, or run down by old complaints that have resisted all other methods of treatment. Being a delicious cordial to take, and perfectly harmless under all circumstances, it is eminently adapted to prostrate, anemic women and delicate children.
