M'ARTON-FORRESTER

Paisley, Nov. 7.—The wedding took place last evening in the Anglican Church of the daughter of the late Dr. Stuart McArthur, of Paisley, and Mrs. McArthur, of Orangeville, to David Forrester, B.A., son of Mr. Wm. Forrester, of Port Elgin. It was a quiet wedding, owing to recent bereavement in the bride's family.

The church was prettily decorated with palms, ferns, smilax, and large bouquets of white chrysanthemums. The pastor, Rev. Dean Diehl, officiated. There were no attendants. The wedding music was played by the bride's sister, Miss Elsie McArthur, of Orangeville. The bride, who was given away by her brother-in-law, Mr. Shoemaker, wore a becoming travelling suit, in gray whipcord, coat opening over a vest of white crepe de chene, gray velvet hat with white plume.

During the signing of the register, Miss Annetta Johnston sang "O, Perfect Love." The groom's gift to the bride was a gold bracelet watch, and to Miss Johnston and Miss McArthur he gave souvenirs in necklaces with amethyst pendants. Mr. and Mrs. Forrester left on a trip to Ottawa, and on their return will take up their residence on Queen street, Paisley.

The fire bylaw was defeated by a majority of 555 votes, while the Avon Hosiery lacked 71 votes of the necessary two-thirds.

HURON COUNTY LAYMEN HOLD A CONFERENCE

Enthusiastic Meeting in Interests of United Missionary Campaign.

Goderich, Nov. 7.—The Huron County Conference, under the United Missionary Campaign now being conducted at various centres throughout the province, was held here today, and was most successful not only in attendance, but from the enthusiasm which was shown on all sides. From all parts of the county came clergymen and lay delegates of the several denominations to the number of about two hundred.

The morning session was held in North Street Methodist Church, at which Rev. C. Manning (Toronto), Rev. C. E. Jenkins (Clinton), Rev. H. M. Langford (Listowel), and the local pastor took the topics. The chair was occupied by Principal Hume, of Goderich Collegiate Institute. The afternoon session was addressed by Mr. W. C. Senior (Toronto), Rev. H. C. Priest (general secretary of the Missionary Education Movement), Rev. J. B. Fotheringham (Goderich), Rev. A. E. Armstrong (Toronto), and Rev. G. E. Endie (retired missionary from Honan, China).

This evening a paper was tendered to the men of the county, attended by about three hundred, followed by speeches from those who had participated in the day's work, assisted by Rev. Canon Gould, general secretary of the Missionary Society of the Church of England in Canada. Conventions are to be held at other centres during the next two weeks, culminating at Sault Ste. Marie on Nov. 21.

TROOPS AT KIEV TO STOP EXPECTED RIOT

As Result of Beiliss Trial Anti-Jewish Outbreaks Are Feared by Authorities.

Kiev, Nov. 7.—Troops in considerable numbers are being drafted in Kiev as a precautionary move in the event of anti-Semitic outbreaks as a result of the trial of Mendel Beiliss, who is charged with ritual murder. At today's session of the trial, M. Shmakoff, representative of the anti-Semites, made an appeal to anti-Jewish prejudice. He alluded to the large financial resources of the Jewish race, and alleged that their money had enabled them to control the newspapers in favor of Beiliss. He described Dr. Sikorski, who last week in an anti-Semitic diatribe before the court, declared that ritual murder was not the myth of popular prejudice, but a reality of the twentieth century, as standing on the brink of the grave, and, therefore, fearless in speaking the truth.

Vladimir Maklakoff, leading counsel for Beiliss, followed M. Shmakoff, with an analysis of many of the weak points of the case of the prosecution.

STRIKE IS SETTLED AT INDIANAPOLIS

Arbitration Decides in Favor of Street Car Employees and Troops Withdrawn.

Indianapolis, Nov. 7.—The strike of the employees of the Indianapolis Traction and Terminal Company was settled late today through the efforts of Governor Samuel H. Ralston. The employees won their demand for arbitration, but nothing is said about recognition of the union in the terms of the settlement.

Street car service is to be resumed within twelve hours, according to the terms of the settlement of the strike, which also provides against any further interference with the operation of the cars.

The settlement of the strike means that the 2,000 members of the Indianapolis Guard, who were called to Indianapolis yesterday on order of the governor for strike duty, will be dispatched to their homes as soon as possible. The soldiers were not called on to duty, but will remain in their temporary quarters until they start home.

The strike would have been on a week tonight and has resulted in four deaths and injuries to a hundred or more people. Until yesterday, when they quieted down, the downtown streets have been the scenes of almost continuous rioting. A large amount of damage has been done to property, trolley wires cut, car windows broken, and the windows of the Louisiana street car barns, where the company had quartered about 500 imported strike-breakers, smashed.

FARMERS ARE BUSY

Fall Work in Kincardine District Is Getting Along Well.

[Canadian Press.]

Kincardine, Nov. 8.—Fall work is progressing nicely. Potatoes are good, and the few dry days have made the ground fit for digging. Mangels, too, are being taken up. Turnips are still growing, the frosts have not injured them. The first shipment of dried apples left here yesterday.

Apples are rotting on the ground, and it is difficult to get anyone to draw them to the evaporator. Farmers prefer keeping the fruit going.

THE NELSON SAFE

Minister Cochrane Says It Is High and Dry in the Harbor.

Toronto, Nov. 8.—Following a hurried trip to Ottawa, where he held a lengthy consultation with Hon. Frank Cochrane, minister of railways and canals, Lieut.-Col. Miller, manager of the Polson's Iron works, yesterday made a further denial of the reports that the dredge Port Nelson, which the company built for the Dominion Government for use in the development of Port Nelson's harbor, had broken her back because of being beached on a "hump" at her winter quarters.

Mr. Cochrane said he had received word from the Government engineer to that effect.
