London Is Not Exempt
From Curse.

(1) That we express our very
great regret that political grafters
and others are taking advantage
of the opportunity afforded by the
present war for personal gain of
the most despicable and dishonest
character.

That we assure the Premier of
this Dominion that in taking such
action as will adequately deal with
the situation and vindicate the fair
name of this Dominion, he merits
the gratitude and support of our
entire country.

(2) That in view of the conditions
within our own and other countries
we reiterate our convictions as to
the advisability of a Dominion pro-
hibitory law governing the liquor

Pain In Her Back

Could Hardly Do Her House-
work.

If a pain attacks you in the back
"stop and think" what it is and what
causes it.

If the kidneys are at fault—and in a
large majority of cases of pain in the
back they are—doctors then, as it
is impossible to have a weak, strong
back unless the kidneys perform their
functions properly.

Doan's Kidney Pills cure all forms of
kidney trouble, and cure them to stay.

Mrs. H. F. Jacob, Lavant Station,
Ont., writes: "I take pleasure in telling
you how much good your medicine
has done me. I had suffered from in-
tense pains in my back and was so bad
I could hardly do my housework. My
kidneys were also bothering me a great
deal. I tried several kinds of patent
medicines and was almost discouraged,
and was looking for some other kind of
medicine to try when I noticed your
advertisement of Doan's Kidney Pills,
so I thought it could not hurt to try
them. I noticed a great difference when
I had used one box, and to my great
relief when I had used three boxes I was
entirely cured, and I have not been
bothered since. I will not hesitate to
recommend them to all I know."

Doan's Kidney Pills are 50c a box,
or 3 boxes for \$1.25, at all dealers,
or mailed direct on receipt of price by The
T. M. Milburn Company, Limited, Toronto,
Ont.

When ordering direct specify
"Doan's."

Bringing Up Father

Father With the Red Cross; Son Killed; Another Wounded

LIEUT. COLONEL G. S. RYERSON,

Red Cross Society, is the father of
Capt. G. C. Ryerson (killed) and Lieut.
A. C. Ryerson (wounded). Col. Ryerson
is now in England in connection
with the Red Cross work.

ministers are seriously studying this
question and indications are that the
church will figure more largely in the
future in solving the problems than
ever before. For a long time has the
church and two great parties, capital
and labor, stood apart, looking at each
other askance. This field presents the
church with the biggest opportunity of
declaring the great principle of Chris-
tianity.

"The problems of rural life do not
seem, as a whole, to have been seri-
ously assessed. One would expect a
more serious movement among the
country churches themselves. In many
quarters there is an inclination to
blame the urban centres for the prob-
lems affecting country life. The de-
crease of rural population, however,
seems to have been arrested, and re-
ports now are more optimistic than
they have been for years.

Criticism Sunday Autoists.

"Reports would indicate that the
Lord's Day observance is not being
maintained. Railways pay little at-
tention to it when it pays them bet-
ter to operate. The great difficulty
of getting evidence against both cor-
porations and individuals is one of the
most serious in securing the enforce-
ment of the law. Increased use of the
auto by many of our prominent citi-
zens, who ought to be more exam-
plary, is going far to break down the
day and to desecrate its wise provi-
sions. It would appear that the Lord's
Day is fast becoming a day of pleasure
instead of as a day of worship.

"Regarding temperance, one must
speak in most enthusiastic terms.
Public sentiment was never more ex-
treme or so widespread as at the pres-
ent time. Favorable or unfavorable
comment may be made regarding the
late election, but, in the judgment of
your committee, prohibition was the
nominal, but not the real issue. Taking
a survey of the whole province, as well
as the whole world, the tide in favor of
absolute prohibition of the liquor traf-
fic is rising more rapidly. Where
license obtains reports state that the
latter are more or less disregarded. The
appointment of inspectors because of
service rendered to the party is brand-
ed as a farce, injurious to the coun-
try's good, and renders strict enforce-
ment of the law almost an impossibil-
ity. Under the license system, laxity
of inspectors seems to be the chief
complaint."

Tells of White Slavery.

A feature of the afternoon, which
brought many men and women from
the city churches, was a discussion by
Miss Butts, of Toronto, of the rescue
work of the city. She outlined the
ravages of white slavery from coast
to coast, stating that London is

not exempt, and that girls not only
from this city, but from all parts of
Western Ontario, are constantly com-
ing under her care. Hundreds of sol-
diers now in training and many young
girls, she said, are being ruined, be-
cause of the prevalence of the evil.
The report of the committee on re-
ligious education, presented by Rev.
Henry Dickie, of Chatham, was most
satisfactory. It showed that there are
4,875 officers and teachers and a total
average attendance of 2,314. The en-
tire school gave for missions \$12,573.
View's London's Natural Park.

Early in the evening the delegates
were taken in special cars to Spring-
bank, and on their return supper was
served in the church.

At the evening session Professor
Law, of Toronto, gave an address on
"The Resurrection," and the reports
presented by Rev. J. G. Miller, of St.
Mary's, and Rev. Dr. Fraser Smith, of
Simcoe. Addresses on the needs of
the home and foreign fields were given
by Rev. Dr. Macgregor, of St. An-
drew's, and Rev. John Griffith, of

CHEER GREAT WAGE INCREASE ANNOUNCEMENT

Canadian Ford Employees Go
Wild With Joy When Told
Good Fortune.

Ford, Ont., April 27.—Following the
announcement of the big wage increase
at the Ford plant Wednesday, there
was a monster demonstration by the
employees.

As soon as the men learned that they
were to receive a minimum of \$4 a
day and the hours of labor were to be
shortened to 48 hours a week they sent
up a cheer that could be heard for
blocks.

While some threw their hats in the
air, others cried hurrahs for Mr. Ford.
Mr. McGregor and other officers, who
were popular with the working force, is
unbounded.

Investigators have already started
work for the newly-organized sociol-
ogical department, which is handling
the details of the wage plan. The in-
vestigators will ascertain in the case of
every workman whether his habits and
mode of living are such that he is
worthy of the increased pay. No dif-
ficult conditions are imposed on em-
ployees before they will be eligible to
the new scale, but it is intended that
the money go only to the furtherance
of good habits and right living.

Should Receive \$100 Monthly.

Mr. Ford, in discussing the sched-
ule with the officers of the Canadian
company, told them he considered that
the workman with a family to support
should receive at least \$100 a month to
get along comfortably, pay his living
expenses and reach top efficiency as a
factory hand or a citizen.

The Ford employees will not only
receive higher wages, but will have
the benefit of general advice by the ex-
perts on the staff of investigators. The
man who is buying his home, or wants
to build a house for himself, will have
the opportunity of consulting, without
charge, the best business talent that
the Ford organization can command.
This will include advice on legal mat-
ters.

In short, the idea is to increase the

level of living.

SOAP ON HAIR CAUSES DANDRUFF, SCALP GETS DRY, HAIR FALLS OUT

Girls! Get a 25 cent bottle
and try a "Danderine
Hair Cleanse."

After washing your hair with soap
always apply a little Danderine to the
scalp to invigorate the hair and pre-
vent dryness. Better still, use soap
as sparingly as possible, and instead
use a "Danderine Hair Cleanse."
Just moisten a cloth with Danderine
and draw it carefully through your
hair, taking one strand at a time.
This will remove dust, dirt and ex-
cessive oil. In a few moments you
will be amazed, your hair will not

only be clean, but it will be wavy,
fluffy and abundant, and possess an
incomparable softness and lustre.
Besides cleansing and beautifying
the hair, one application of Danderine
dissolves every particle of dandruff;
stimulates the scalp, stopping itching
and falling hair. Danderine is to the
hair what fresh air is to the body, and
sunshine is to the soul. It goes
right to the roots, invigorates and
strengthens them. Its exhilarating
and life-producing properties cause
the hair to grow long, strong and
beautiful.

Men! Ladies! You can surely have
lots of charming hair. Get a 25-cent
bottle of Knowlton's Danderine from
any drug store or toilet counter and
try it.
