## PEACE PROCLAIMED.

The Olive Branch in Central America-The Terms Agreed Upon. Guatemala, Aug. 29.—The peace treaty has been signed in Salvador by Provisional President Ezeta and his Minister of State and submitted to Congress. The treaty provides that both countries shall withdraw their troops from the frontier within the desired animal. 48 hours. Within eight days all imple-Richard T. Carroll, a member of the ments of war shall be stored and each number of troops kept in time of peace. Neither country shall be liable for indemnity for any damage sustained during the office of President Congress is empowered to elect a temporary President to serve until the election is ordered. The ultimate success of the arrangement is due to the combined efforts of American Minister Mizner and Spanish Minister Arellans,

A large frame grocery and boarding house in the Fourth Ward, known as the Tunnel House, was discovered on fire at an early hour this morning. It burned rapidly and was beyond the possibility of being saved by the time the firemen reached the scene. A large number of tunnel employes boarded in the house, all of whom escaped, but lost most of their effects. The cook, Alice Lennox, a married woman, aged about 40 years, who had not been living with her husband, unfortunately perished in the flames. The debris was being removed this forenoon the charred remains of a human being were found, which were those of the cook who was missing. The building and store were owned by Mr. C. L. Dickens, and were partially insured. An inquest is now being held by Coroner Fraser.

The North-west Flour Trade.

Minneapolis, Minn. Aug. 28.—The flour market is rather unsettled and irregular. While stocks in the east are admitted to be very low the frequent fluctuations in wheat seem to keep jobbers from it taking hold, except as actual needs require. Some mills report a fair demand for patents, while others are getting very little from the constituent of the retention A large frame grocery and boarding house in the Fourth Ward, known as the Tunnel both ends to stop.""
