TRYING TO STAB THE WORLD. We ask our readers as a favor to through the following extract :

THE NATIONALIST ORGAN IN TORONTO. THE NATIONALIST ORGAN IN TORONTO. The World is a newspaper recently start-ed in Toronto to indoctrinate the Canadian people with American ideas on political economy, education, religion, and interna-tional and social questions. It professes to be a liberal paper, but it spends its strength in reviling the leading organ of liberal thought in Canada. It teaches the American system of protection ; it incul-cates disloyalty to Great Britain, and hatred and contempt for everything British. from were forthwith dismissed from the service, and contempt for everything British, from the governor general down to the last im-ported yard of cotton or broadcloth. It is trying to introduce into Canada the to go on duty. Expressions of sympathy American mode of observing the Sabbath ; have been pouring in from all parts and

lected about the Globe the week after the recen good administrators of these estates. election : It is another fact that at their present rate The Globe's action served to intensify of accumulation the church will soon own the and perpetuate the opposition of the manu-facturers, whose support and influence had no little to do it returning Sir John Mac-douald and his party to power. Then, again, hundreds of professed reformers voted for the N. P. in 1878. These men best part of the province. No one regrets this fact more than do many catholics themselves. A church will occupy itself with the care of souls inversely as it is taken up with looking after property. Before the

are by no means conservatives, nor do they wish to be counted out of the reform ranks, but the conduct of the Globe towards these reformation the church owned the best part of England ; it it the misfortune of men will not induce them to return to England to-day that the established church their party. A great many young men-mechanics and laborers-who voted for the first time at this election, identified themthere is so wealthy. Mexico was once mechanics and laborers—who voted for the first time at this election, identified them-selves with the conservatives and N. P. party, and, as first impressions are not eas-ily removed, it is quite safe to count these against us in the future. It will take years owned almost entirely by the church and her people were not models of modern civilization. But because we, out of no illwill to that great institution the church of against us in the future. It will take years of faithful and persistent effort and work to overcome the injury that has been done to the reform party by the Globe's action during the recent contest. We regret that it is necessary to speak so plainly against what is considered to be the leading organ of our party in Canada, but we speak our mind and the mind of many prominent re-formate Rome, drew certain inferences from these historical facts, past and present, the Post flings the words "bigot," "eggregious jackass," "infamous detractor," and the like. La Minerve also takes us up and says we have francophobia, and that the World

cation the latest American notions are dian nationalism. It professes to think that independence is the one thing needed that independence is the one thing needed to make this country great and rich and prosperous. It opens its columns to Irish nationalists and all who desire to have a fing at England. The more offensive and insolent and abusive their productions the better they seem to be relished by it. We do not know whether it has been established by Americans, but we do know that it is conducted on American models, and that the whole tendency of its teaching is to prepare and fit this country for becom-ing an appange of the Yankee republic. Its pretence of cultivating a Canadian Its pretence of culturing a communi-national spirit is only a disguise to hide its purpose to Americanize both Canada and the Canadian people. It is forever boast-ing of its success, and of its increasing cir-culation. We had no means of judging of

either, beyond its own unsupported word ; but the fact that it lives is proof we sup-

pose that a portion of the people of Teronto, by whom we understand it is almost ABOITT A REPORM CONVENTION exclusively supported, are in sympathy with its views. This is the only fact of much moment connected with it, beyond the display which it makes from day to day the spirit which animates the so-called The Winnipeg Sun recently passed into other hands, among the new proprietors being Mr. Buckingham, (Mr. Mackenzie's secretary while premier), and A. W. Canadian nationalists as regards England. That spirit, we regret to say, is as base and Ross, M. P. The Sun may be described as an independent reform contemptible as the most rank ingratitude can make it. Let England be what she may to all the world besides, to Canada she ournal. It has just published an article discussing the question whether a reform has been a nursing mother ; and ingratitude to her by Canadians is a vice of the blackconvention is needed or not. It thinks it est dye. Of this vice the Canadian nation-alists, if their organs represent them proper-ly, cannot be acquitted. If their organs do not represent them properly, then they ought to disown them. This is can be no organization. There has been evidence of want of organization could be especially necessary if they be run as we sus-pect they are, by Yankee fenians, or their tools and sympathizers.

ers to follow the example.

ABUSING THE WORLD

The above article appeared as an original editorial in the Bowmanville Statesman- of Friday, Sept. 1. It also appeared word for word as an original editorial in the Mitchell Recorder on Friday, Sept. 1. It also appeared word for word (with the exception of the last sentence) as an original article in the Milton Champion on Thursday, Aug. to the Northwest. The government's policy 31. In how many other journals it! apmay be open to criticism but the Sun does peared as an original article we cannot yet say. The probability is that it was written in Toronto and sent in manuscript to

nearly every paper in the province. Three at least were gulled into publishing it. The three that did publish it are pro-

nounced reform journals. If these papers are honestly conducted, as we believe they out who are its friends and who are not ; to are, we expect them to explain how such an attack appeared simultaneously in three enough for the bulk of its members to stand journals published in towns so far apart.

If they, however, say that the opinions in the article above given are their opinions, and that they still hold them, then

we shall proceed to answer them. The World is well able to vindicate its position and refute the disreputable slander. We day an article on the movement lately intrust that any other of our contemporaries augurated in Quebec to secure restoration who received copies of the same article will to the jesuits of their confiscated estates in

SATURDAY HALF HOLIDAY FOR WORK GIRLS. (To The Editor of the World.) SIR: You have stood alone among the ewspapers of Toronto in advocating fearlessly and without reserve the cause of women employes. I wish to point your attention to a grievance suffered by us, is. Without such a meeting it thinks there which requires prompt redress. About half the entire number of girls and women too much guerilla warfare. No greater employes in the factories, wholesale houses. stores and millinery establishments have no evidence of want of organization could be exhibited than allowing 20 conservatives to I reformer to be elected by acclamation. Next the Sun thinks a common platform must be adopted. It is a difficult matter to fight with very great vigor when you enter-tain doubts as to what you are fighting for, and when your leaders are seen by the whole country to be divided upon the ques-tions at issue. The Sun also wants to see the party adopt more liberal views in regard to the Northwest. The government's policy

The Dominion of Canada

The Dominion of Canada stands in the front rank as far as medical science is concerned. Several physicians and surgeons from the leading hospitals of France and England have associated them-selves with Dr. M. Souvielle, ex. Aide Sur-geon of the French army, founder of the International throat and lung institute, and inventor of the spirometer, recognized in the leading hospitals of Enrope as the only means of curing catarrh, catarrhal deafness, bronchitis, asthma and throat and lung dis-eases. Parties unable to visit the matitute can be successfully treated by letter adnot want the country to be belittled for partizan advantage. And lastly seeing that the conservatives have held conventions and profited by them, it is the duty of reform-Our opinion agrees pretty much with the Sun. The reform party has need to find adopt a liberal national platform wide on ;and lastly it wants organization.

eases. Parties unable to visit the institute can be successfully treated by letter ad-dressed Dr. M. Souvielle, ex-Aide Surgeon of French army, International Throat and-Lung Institute, 13 Phillips Square, Mon-treal, and 75 Yonge St. Toronto, offices for Canada, where French and English special-ists are always in charge. Full particulars free. 185 The World must be making headway ; so many of our contemporaries have lately taken to abuse it. We published the other
