I HAVE the honor to submit to the public one of the most picturesque sites that can well be imagined for scenery and beauty in these words scenery and beauty; their truest sense is conveyed, it really needs no puffing; anyone that will take the trouble to inspect the site will see one of the most lovely landscapes, taking in land and water, that can be wished for. As to villa lots, nothing can surpass it. Purchasers can have full particulars by applying at my office.

JOHN POUCHER'S LIST.

I AM DEVOTING MY WHOLE ATTENTION to property east of the Don, and I always have a few choice blocks for investments, or can sell you a lot for a home at $160, only $25 down, balance monthly. This property is only about two miles from the market. Why should you go twice the distance north or west, and pay more money? Eastern property only wants to be seen to be admired. It is true this part of the city has been heavily handicapped by the disgraceful mismanagement of the Don and other improvements, but its day of prosperity is sure to come. Now is the time to buy and get ahead of the wave, and participate in the levelling up of prices that is sure to follow the completion of the improvements now under way. If you want a home of your own within half an hour's walk of the business centre of the city, call in and see what I can offer. John Poucher, 43 Arcade.

SUMMER RESORT & MINERAL SPRINGS
PRESTON, one of the prettiest towns in Western Canada, with its beautiful, cool, shady walks and drives, its lovely valleys, with the charming little River Speed running through it until it reaches the Grand River, has long been noted for its celebrated mineral springs. The remarkable curative qualities of the baths in the most obstinate cases of rheumatism, kidney and liver complaints, neuralgia, skin diseases of every description, as well as its recuperative powers to the business man needing quiet and rest after the year's labors, can be testified by hundreds of our prominent citizens. The hotel, situated on a slight eminence in the quiet part of the town, with cool, terraced gardens, croquet lawns, etc., is well adapted for the invalid or seeker of quiet summer resort and rest. The accommodations are most comfortable, with every modern convenience, the table first-class; billiard table and livery stable in connection; the rates lower than any other summer resort in the Dominion. Its close proximity to Toronto, with low railway rates, make it the most desirable spot in Ontario for our citizens to spend their summer vacation. Preston can be reached by G.W.R. to Preston Station, by Credit Valley to Galt, within three miles, or by G.T.R. to Blair, one and a half miles. Tickets for Springs can be bought at reduced rates. 'Bus meets every train at Preston Station. Send for circular with rates and particulars to
