Our PACKETS are NOT full of TRASH but contain GOOD STAMPS. The stamps in each packet which we are now sending out are all different. Something collectors have been looking for. We send out approval books at 50 to 75 per cent off. These are arranged by countries and are so convenient that loss of time and headaches are avoided.

We buy stamps and old collections for cash. Send whatever you have, including duplicates, stating price asked. We exchange stamps also. You must send us stamps cataloguing over 3c for which we allow one-third catalogue price. We will then send our approval books from which you select stamps at our figures which are 50 to 75 per cent off catalogue prices. This is something no other stamp firm will do.

Our Motto: "Small profits and quick returns make a profitable business."
