The attention of the insuring public and live progressive agents is called to the following reasons for selecting this Company:

First. It is the only Canadian Company giving its policy-holders the security of a four per cent. reserve; all others without exception reserving on a lower standard.

Second. The policy contract is as liberal as any issued. No restrictions as to residence, travel or occupation, and incontestable after one year.

Third. The premium rates are low and the cost to the policy-holder is certain to be less than in any other Company because a better rate of interest can be earned in the West than at the home of any other Company.

Fourth. Every desirable plan of insurance is issued from the low priced "PAY AS YOU GO" plan to the shortest single premium endowment.
