THE WATER CURP. To the Editor of the Kingston Chronicle & News...

Having within the last year lost my eldest daughter, from the same dangerous disease...

A few weeks ago my younger son aged five years, was attacked with what resulted in a severe case of Scarlet Fever.

On the 6th day, my eldest boy, aged 7 years, was attacked with not so much violence...

Dr. Mair, Assistant Staff Surgeon, who was much interested in the case, watched the treatment throughout...

It is with heartfelt gratitude to God for his blessing on the means used that I can say, all are nearly restored to health!

Most respectfully do I submit this statement to the medical faculty, as the guardians of the health of society...

Believe me, dear sir, yours truly, R. V. ROGANS, Minister of St. James.
