For Sight Translation and Examination Tests, selected by

**J. MORGAN, M.A.**

Principal of Walkerton High School.

This work is specially prepared to meet the requirements of the Regulations of Education Department, and of the Courses in Latin prescribed by the different Colleges and Universities.

Teachers will find it of great utility in setting papers for their classes, the selections being made liberally from every portion of the text prescribed for Pass Matriculation, up to 1895. The two purposes of this book are served without sacrificing either.

Every Collegiate Institute and High School should have one for every pupil studying Latin.

At a very small cost the Board could procure them.

The Classical Master can see at a glance what a saving of time will be effected.
