They have patterns for, and keep on hand, Bells of a variety of tones of the same weight, and they also furnish to order Chimes of any number of Bells, or key, and can refer to several of their make throughout the States and Canada. As Train & Co. have made such arrangements in Liverpool as will Protect their friends from the frauds and imposi-tions sometimes practised there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly honorable and humane, and that they have been distinguished for the most exact fulfillment of all their Engagements, we are permitted to refer to the Very Rev. THEOBOLD MATHEW, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend JOHN BERNARD FITZPATRICK, Bishop of Boston :-

" Boston, Jan. 22nd, 1849. "I am happy to testify, from personal knowledge, that the firm of Ship Owners, known in this City of Boston, under the name of 'Enoch Train & Co.; is composed of gentlemen of tried and acknowledged integrity, and that implicit reliance can be placed in their fidelity to accomplish all that they may promise, to those who have occasion to make any contract with them.
