#### THE SHOVEL BRIGADE.

It snowed, it snowed, and it snowed-Were ever such showed, and it showed.
Were ever such showed fits made!
And now 'tis jolly along the road
To watch the Shovel Brigade.

They tramp, but not to a drum-Their weapon is only a spade; But strong and brave as soldiers they

come. The peaceful Shovel Brigade.

They cut out blocks in a row
From drifts of every grade;
Then lift and toss them aside, and so, Delve on the Shovel Brigade.

The children pause in their play; The sled and the slide are stayed; Oh, who wouldn't be a boy to-day To train in the Shovel Brigade!

Huzza! for the path is clear; The snow like a foe is laid. They shoulder arms; now a parting cheer For the merry Shovel Brigade!

Cure for Dyspepsia.

Cure for Dyspepsia.

As is well known, this troublesome complaint arises from overcating, the use of two much rich food, neglected constipation, lack of exercise, bad air, etc. The food should be thoroughly chewed and never bolted or swallowed in haste, stimulants must be avoided and exercise taken if possible. A remedy which has rarely failed to give prompt relief and effect permanent cures, even in the most obstinate cases, is Burdock Blood Bitters. It nots by regulating and toning the digestive organs, removing costiveness and increasing the appetite and restoring health and vigor to the system. As a case in point we quote from a letter written by Miss L. A. Kuhn, of Hamilton, Ont.:—"Two years ago life seemed a burden. I could not eat the simplest tood without being in dreadful misery in my stomach, under my shoulders and across the back of my neck. Medical advice failed to procure relief and seeing B. B. B. advertised, I took two bottles of it, and have been entirely free from any symptoms of my complaint since."

This gives very conclusive proof of the efficiency of this wonderful remedy
