

**T**HE EYES of the whole world are on CENTRAL BRITISH COLUMBIA, without doubt the richest undeveloped country on the continent. No man can estimate the value of its resources in farm lands, timber and mines. Projected railway development already under way calls for an expenditure of at least one hundred million dollars in the next few years, and it is safe to say that an additional hundred million will be expended in developing other enterprises. The surest way to share in this great distribution of wealth is to own a good farm along the line of the Grand Trunk Pacific Railway. Write for full particulars to

## FOURTEEN DOLLARS PER ACRE

We have placed on the market 10,000 acres of splendid agricultural land located in the rich Salmon Valley, directly on the Salmon River. These lands lie sixteen miles north of the registered and permanent survey of the Grand Trunk Pacific Railway. Subdivided into forty-acre tracts and obtainable at the price stated above, with exceptionally easy terms, this offer will appeal to the actual settler or the man with a few dollars to invest. The completion of the G. T. P. Ry. will mark a sharp advance in every acre of good land along their right of way.
