Political Mathematics-Two Fools Outvote One Expert.

Both the Toronto Globe and the Montreal Star have misread, misunderstood, and unwittingly misrepresented sus on the subject of a possible redistribution in Quebec. It is the opinion of leading Quebec politicians that there should be a redistribution in Quebec in order to adjust the representation to the population; and it is the opinion of leading Conservatives that if this be done it will redound to the advantage of the Conservative party. What we say is-let a readjus ment be made and let it be made by an impartial tribunal.

tribunal? And as regards Ontario, if what the Globe contends is true, we should favor redistribution there and now by an impartial tribunal. We are in touch with the history of Canada and believe in repretentation by population. We believe in the people governing, and therefore, here, in Ontario, and in Quebec are in favor of any measures or any means which will give the nearest approach to a mathematical expression of the popular will.-Regina Leader.

A YOUNG GIRL'S TRIALS.

HER PARENTS HAD ALMOST GIVEN UP HOPE OF HER RECOVERY.

Pale and Emaciated, Subject to Severe Headaches, She Was Thought to be Going Iuto a Decline-Now the Picture of Health and Beauty.

From the Richibucto, N. B., Review.

There are very few people, especially among the agriculturalists of Kent county, N. B., who do not know Mr. H. H. Warman, the popular agent for agricultural machinery, of Molus River. A Review representative was in conversation with Mr. Warman recently, when the sub-ject of Dr. Williams' Pink Pills was incidentally touched upon. Mr. Warman said he was a staunch believer in their curative properties, and to justify his opinion he related the cure of his sister. Miss Jessie Varman, aged 15 years, who he said had been "almost wrested from the grave by Dr. Williams' Pink Pills." Miss Warman had been suffering for nearly a year with troubles incident, to girlhood. She suffered from

"A PICTURE OF HEALTH AND ACTIVITY." severe and almost constant headaches dizziness, heart palpitation, and was pale and bloodless, and eventually became so weak and emaciated that her parents thought that she was in consumption, and had all but given up hope of her recovery. Her father, Mr. Richard War-man, who is a well-to-do farmer, spared no expense to procure relief for the poor sufferer. The best available medical advice was employed, but no relief came, and although the parents were almost in despair, they still strove to find the means of restoring their loved one to health. Mr. Warman, like everybody, else who reads the like the production of the produ body else who reads the newspapers, had read of the many marvellous cores effected by the use of Dr. Williams' Pink Pills, but like some others, looked upon these stories as "mere patent medi-cine advertisements." However, as everything else had failed he determined that Pink Pills should be given a However, as trial, with a result no less marvellous than that of many other cases related through the press. Dr. Williams' Pink Pills have completely cured the young lady, so that in a few months, from a helpless and supposedly dying girl, she had become a picture of health and activity. The Warman family is so well vity. The Warman family is so well known in this part of the country that no one would think of disputing any statement made by any of its members. Mr. H. H. Warman, on account of his

business as salesman for agricultural machinery, is personally acquainted with nearly every body in the county, and we feel assured that any enquiries made of him concerning the statements made above will be readily answered.

The gratifying results following the use of Dr. Williams' Pink Pills, in the case of Miss Warman, prove that they are unequalled as a blood builder and nerve tonic. In the case of young girls who are pale or sallow, listless, troubled with a fluttering or palpitation of the beart, weak and easily tired, no time should be lost in taking a course of Dr Williams' Pink Pills, which will speedily enrich the blood and bring a rosy glow of health to the cheeks. They are a specific for troubles peculiar to females such as suppressions, irregularities and all forms of weakness. In men they effect a radical cure in all cases arising from mental worry, overwork, or excess of whatever nature.

Dr. Williams' Pink Pills are manufactured by the Dr. Williams' Medicine Co., Brockville, Ont., and Schenectady, N. Y., and are sold in boxes (never in loose form, or by the hundred) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine company at either address.

Norman, Out., January 15, 1890.

W. H. Comstick, Brockville, Out.

Dear Sir,—Your 'Dr. Morse's Indian Root Pills' are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and whatis the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; at the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little tro ble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve v.gor and vitality.

Yours faithfully.
