Dear Mr. Walker,

Let me acknowledge your letter of the 2nd with reference to Professor Magyary, who will visit Montreal on December 11th. I may say that I am also in receipt of a letter from Dr. Stephen Duggan of the Institute of International Education, New York, also referring this gentleman to me, but he gives the date of his visit as December 9th and 10th. I wonder if you can let me know definitely, as I want to arrange that Professor Magyary be shown every courtesy possible.

Ever yours faithfully,

Principal
