Black and Red Squad Mowed Down Imperials - "Glad" Murphy and "Brick" Gordon the Bright Lights.

The Bank Hockey League got a flour-ishing send off for the season last night at the Arena, when the Dominions trimishing send off for the season last night at the Arena, when the Dominions trimmed the Imperials to the tune of 11 to 4. The red and black outclassed their opponents at all times and, altho the red and white boys struggieu gameiy, the disaster was not averted and they went dowa to oefeat.

The Dominions have a very formidable line-up and will take a lot of beating ere the season closes. The stars for the winners were G.a. Murphy and Brick Gerdon, the well-known St. Miques' players. Murphy had condition and his speed and weight put him in a class by himself. When he started a rush there was a sudden call of "all hands on deck," and every man tore back to try and stop the whirlwind. In spite of this opposition he scored four goals unassisted by his zig-zag rushes, and paved the way for several others by passing the puck to the goal mouth, where some one would slap it in. He had them at his mercy at all times and he might have piled up a larger score if he had wished. Gordon wind it difficult to get going in the first period and was a little rough in his tactics, but he flashed all the way in the last period, checking back, etc., and he puts up for the blue shirts. All the others were good and, altho lack of condition told on them, they worked hard and at times showed flashes of real form. Cook in goal and Clancy of last year's Peterboro Junior O.H.A. team, showed up well. O'Flynn and Spragge, both exargo men, were good as long as they lasted. Allam of Gueiph was very effective at centre. On the whole, Dominions had it on their opponents in experience and condition and pulled away easily.

Imperials could only boast of one O.H.A. payer, and that was McKee of Simcoes, who, altho he was the best man on the ice for the red and white, was far from being in shape to play. Jones in goal was in the limelight considerably and time after time he stopped some very hard shots. He is a real classy performer. In spite of the large score against him he was always stopping shots and well earned the applance he received. Brown at

Bank, faced the place and league open. The teams lined up as follows:

Deminions (11): Goal, Cook: point, Glad. Murphy: cover, Spragge: rover, Brick Gordon: centre, Allan; right wing, O'Flynn; left wing, Clancy.
Imperials (4): Goal, Jones: point, Inglis: cover, Walker: rover, Calhoun; centre, McKee: left wing, Brown; right wing, R. C. Gordon.
