## A Golden Opportunity

There are a number of places in Canada where we have no agents. Perhaps your town is one of them. Now we want to introduce our bicycles in your district, and we are willing to make it worth your while to help us. You know from experience that if we can introduce our Griffiths Cycles give perfect satisfaction. The proposition we wish to make to you is this: We will sell one wheel, either lady's or gent's pattern, in any town, where we have no agent, at actual cost price. Upon receipt of a deposit we will send the wheel for examination, so you run absolutely no risk in buying. Write for full particulars.

### DISSATISFIED HAMILTON CYCLISTS.

A Notice of Motion to Withdraw in a Body

From the C. W. A. Was Held

over last week.

Hamilton, April 20.-[Special.]—There was a hot discussion at a meeting of the Hamilton Bicycle Club, the senior wheeling organization of the city, to-night, over the motion to withdraw as a body from the Canadian Wheelmen's Association. Nearly all present took part, and, as the attendance was large, the discussion lasted till nearly 11 o'clock.

It was stated by some that the club was in honor bound to remain in the association this year and pay its fees as representatives of the city.

The list of members was read. Dissatisfaction was expressed by a few for the change of the list. The motion was not carried and was voted upon at a meeting on May 4.

**Die die Briefe.**

Just 757 new members joined the League of American Wheelmen last week. Man-agers had 122, and New York 142. The total to date is 93,242.

It is reported that certain of the large manufacturers across the line have bought up bicycle parts, so that those who make a business of assembling wheels find it difficult to secure the parts desired.

Jack Turton returned to town from the Maritime Provinces on Saturday last. He has resigned his position with the American Tire Company, to take up his position as a business representative for the Toronto Tire Company, Limited.

The last social at home of the Royal Canadian Bicycle Club was held last night in Duggan's Hall. A large number were present and an enjoyable time was spent, bringing to a close a most successful season of the popular club.

Two of Chicago's fastest amateur bicycle riders, Earl W. Peabody and Fred J. Morse, will in all probability be numbered with the "pros" this year. The motion was not carried and was voted upon at a meeting on May 4.
