CHURCH REUNION

Recent Discussion At Lambeth Conference Is Producing Results.

At the Lambeth Anglican conference held in old London recently at which bishops and archbishops the world over were in attendance, church reunion was one of the most important matters discussed. Letters have been sent to the peads of the various dargeties.

—Wilfred Kelleher, son of Charles Kelleher, 509 English street, and a pupil of St. Marry's Separate School obtained first-class honors at the recent high school entrance examinations.

Miss Doris Nelles, Miss Ethel Sullivan, Miss Katherine Munday and Miss Winifred Pearson are leaving on September 7 to take a six months' course at the Toronto Library School.

FILM IS DELAYED.—R. P. Liddle, acting general secretary of the local "Y' announced today that there will be no open-air movies in Manor Park Thursday evening. The cause, he said, was that the film, will not arrive in the city in time. cussed. Letters have been sent to the heads of the various denominations with the exception of the Catholic denomination regarding the matter. The proposals caused much satisfaction in England. in time.

ON FISHING TRIP.—Police Magistrate A. H. M. Graydon leaves today on a two weeks' vacation at Lake Penage and Whitefish, in New Ontario. His holidays will mainly be spent in fishing, as was evidenced by a huge wooden box containing worms, which he had delivered at the police station this morning. Regarding church reunion in Canada it is thought by local ministers that it manne as in England. Rev. D. C. MacGregor of St. Andrew's said that much could be said of church union yet, as the mat-ter of reorganizing the various churches

Dr. Stafford of the Methodist conference in England has replied to the proposals of the Lambeth conference in which he says: "This appeal for church reunion has stirred Christendom to the uttermost parts of the earth."

maller scale in London is evident by the fact that for several months last year Methodist and Presbyterian committees worked on a co-operation scheme, whereby small Methodist and ford, and as "Ted" Presbyterian churches might, in towns where they were not self-supporting. unite, and so cut expenses in half and send the amount saved to further the cause of Christianity in Northern Cancella Canada Cana cause of Christianity in Northern Can-ada. In some places in the northern part of Ontario this co-operation scheme has been carried out with success, and the matter regarding the same scheme in Western Ontario wil be brought be-fore the Methodist and Presbyterian de-

GEDDES SAYS CHARGE OF CONGRESSMAN IS PERFECTLY ABSURD

British Ambassador Brands **Britten s Statement As** Pure Fiction.

St. Louis, Aug. 25.—Charges of Congressman Britten of Illinois that the British Parliament appropriated \$87.500 to be expended by the British ambassador, who is here attending the convention of the American Bar Association.

Sir Auckland said:
"The British Government has not made any contribution of any sort to any party in any state for any purpose. The only fund which the British Government has placed at my disposal is the one covering the living expenses of myself and thirty other persons connected with the embassy. The amount is about \$87,000, or less than \$3,000 a year for each person, and as prices now are, it is an insufficient amount.

Silverstein purchased the house at 216 Clarence street for \$440, and M. Zin-berg bought a partially burned grocery **MAYOR CHURCH OPENS** WAR ON INCREASE IN School trustees regard the purchase as one of the best that has been effected by a public body in some years.

The marriage was quietly solemnized the chief of police to summon the management of Bowles' restaurants before the police commission." stated Mayor commendation of the common the management of Bowles' restaurants before the police commission." stated Mayor common the common the common the management of Bowles' restaurants before the police commission." augurated a campaign against any in-creases in food prices in the Toronto restaurants. Yesterday some restaur-ants raised the price of tea and coffee from 5 to 10 cents per cup.

His worship has also instructed Dr.
Hastings to ascertain and provide information regarding food prices in the

various restaurents and to submit the various restaurants and to submit the names of people who are alleged to be overcharging. "If the board of commerce cannot do anything we will deal with some of these people. They hold their licenses from the police commission." sion."

H. R. Hinman, manager of Bowles' restaurants, claims that the increased prices are justified.

PREMIER MARTIN TO VISIT PARENTS HERE

Hon. W. M. Martin, premier of Saskatchewan, is expected to arrive in London this afternoon to visit his parents, Rev. and Mrs. W. M. Martin of 268 Ridout street south. Premiere Martin, who is motoring through Ontario, arrived yesterday at Kitchener, where he visited his brother. J. A. Martin, manager of the Dominion Tire Company. From London he will probably to to Exeter, his old home town, to renew acquaintanceships for a few days.

DEXTEROUS GAME

HAS BEEN PLAYED,

Mayor in Connection With

Town Planning.

SAYS MR. COTTAM

Major Hume Cronyn, K. C., M. P., of tother countries are making great strides this city was a guest of honor of the Calgary Kiwanis Club at their regular luncheon last week and in discussing Canada's industrial and natural resources made some interesting predictions. The Calgary Herald has the following:

Canada's industrial and natural resources made some interesting predictions. The Calgary Herald has the following:

Scientific research is a fairpland and many other countries. As far as the federal field in the Dominion goes in Canada." This statement was the sum of the remarks made by Hume Cronyn, K. C., M. P., chairman of the House of Commons committee of scientific research, although a certain the sum of the remarks made by Hume Cronyn, K. C., M. P., chairman of the House of Commons committee of scientific research, although a certain the sum of the remarks made by Hume Cronyn is the chairman, made further want for the consolation of the cortony of the consolation of the committee, of which Mr. Cronyn is the chairman, made further that on the Rotarians of Calgary, the members of the consolation of the cortony of the consolation of the cortony of the consolation of the cortony of the consolation of the supporting the developed in the countries of the countr Mayor, that my several communica

Mayor, that my several communica-tions about town planning were not of a character to call for serious attention. Such a public statement entitles the citizens to know what was in the letters so that they may judge the de-gree of disapproval to which my labor in their behalf is entitled. Space will permit of printing only the last two at this time. On May 7 wrote you as follows: Dear Mr. Mayor,—A great responsi-bility rests upon every member of our town planning committee. By a vote of the citizens and by authority of the

council, we are expected to study and prepara plans for many millions of expenditure by London.

Are we giving this work that attention which any member would consider decessary on plans for a private house the was about to erect? The city is about to undertake publie work which, once begun, will make impossible those changes of plans which the committee is sure to desire when members become familiar with the problems. Such changes could be easily made beforehand, merely by a

stroke of the draughtsman's pencil, and so save many thousands of dollars, if only the committee shall become aware of the need in this connection, Storm Sewers. Is there in the hands of the committee, for instance, that information about storm sewers which ought to be studied by every member, in view of an early start on an expenditure of \$300,000 to \$500,000 for storm sewers?

Are we meeting frequently enough to assure citizens that this town planning work is receiving adequate attention

An increasing sense
An increasing sense
ance of this work, together with
sure of private affairs, will probably
compel my resignation from the committee at at early date. I do not wish

Cash close: Pork—Nominal.
Lard—\$18.

Ribs-\$14 25@15 25. DAMAGE IS UNKNOWN. Ottawa, Aug. 25.—So far as can be learned no official reports have so far been received dealing with the damage done by the submerging of large areas of meadowlands in the Lesser Slave Lake district, owing to the unusual high level of the water. The necessity for government action has been suggested in dispatches from the west, but nothing is likely to be done until the facts are known.

Toronto, arrested last night on a charge of being drunk in charge of an automobile, was severely punished by Magistrate Jelfs today. He was fined \$20 and sentenced to thirty days on the first count and for having a bottle of liquor in his possession was sent down for three months without the option of a fine. Roy Hollinghead and his brother Norman, both of Toronto, who were in the car, were allowed to
