POLICE COURT

Abner Secord appeared in court this morning on complaint of Chief Kerr for allowing hay to lie in Robinson's burned warehouse since Saturday in close proximity to Starr's coal sheds.

Secord, who purchased the hay from C. H. Peters' Sons on Saturday at twenty cents per bundle, declared that he had removed twenty tons since the day on which the chief reported.

C.P.R. OFFICIALS LOOK FOR BIG YEAR

Views Based on Splendid Crop Outlook—Four Provinces Will Yield 125,000,000 Bushels.

(Montreal Herald.) Officials of the Canadian Pacific are optimistic regarding the road's prospects for the next few months. Their views are based principally upon the outlook for the crops in the territory served by the road.

It is estimated that the wheat yield of Manitoba, Saskatchewan, Alberta and British Columbia will reach 125,000,000 bushels, compared with 80,000,000 bushels last year. Most of this will be harvested during the latter part of August.

The road now has plenty of rolling stock to handle the tonnage, while a year ago it lost considerable grain traffic by reason of equipment shortage. In the entire fiscal year of 1907-8 its grain business totalled \$2,900,000.

The road now has plenty of rolling stock to handle the tonnage, while a year ago it lost considerable grain traffic by reason of equipment shortage. In the entire fiscal year of 1907-8 its grain business totalled \$2,900,000.

With wheat at its present price the farmers of the Canadian Northwest should make money. This means an increase in merchandise tonnage for the road.

PROBING MURDER MYSTERY.

Dover, Del., July 16.—In the arrest late this afternoon at Church, Md., of Caleb Watson, a negro farm-hand, the authorities who are investigating the strange murder of William Williams, the aged farmer, who lived just over the state line in Maryland and whose body was found hanging to a tree, believe that they have made some progress. Interest is added to the arrest, because the negro was employed by John Wessel, a son-in-law of Williams as a farm hand and because he assisted his employer in a search for Williams all day Monday. He will be closely questioned in an attempt to ascertain his movements between Saturday night and Tuesday morning. On Williams' body was found a marriage license, authorizing a wedding ceremony between himself and Elizabeth Wells, aged 13, daughter of Samuel Wells, a tenant on Williams' farm. One theory advanced is that the aged farmer was murdered by some one opposed to the marriage and the authorities are investigating along this line.
