CHANNEL.—All the means of grace have been in regular use. Special services have been held, and with God's blessing upon the faithful labours of his servants. We believe there is a hopeful future for this Mission. Members, 51.

JESSE HEYFIELD.

FLAT ISLAND AND SOUND ISLAND.—The year has been one of spiritual success. At every place we have been warmly received. The annual Covenant Service was one marked with consecration and blessing. Several promised to give up tobacco, and so far have done so. The old school-house, in which our people have so long worshipped, has been taken down and a new church commenced on its site, and by united, voluntary effort, we have succeeded in erecting and opening it for temporary worship during the summer months. Members, 206.

SAMUEL SNOWDEN.

FLOWER COVE.—During last summer six weeks were spent on the Labrador coast. Twenty-eight places were visited, forty services held, and two hundred and twenty families seen, and we have reason to believe that our labour has not been in vain. Members, 34.

ST. ANTHONY.—God has owned and blessed our labours on this Mission during the past year. Our members have manifested much Christian endurance in a season of extreme poverty and suffering. Difficulties have been in the way, "without were fightings, within were fears," but God has been with us. Members, 110.

WILLIAM R. TRATT.

BONNE BAY AND BAY OF ISLANDS.—The work of the Lord has greatly prospered here. The Holy Ghost came down in the plenitude of His power, for five weeks during the winter the penitent benches were thronged with earnest seekers of salvation. The work resulted in the professed conversion of ninety-five persons. Members, 126.
