COULDN'T DO HOUSEWORK HEART WAS SO BAD

Many women get weak and run down, unable to look after their household duties owing to the heart action becoming impaired or the nervous system weakening.

Nature intended women to be strong, healthy and happy instead of sick and weak. But how can a woman be strong and healthy when day in and day out she has to go through the same routine of work, sweeping, dusting, cooking, washing, etc. Is it any wonder that the heart becomes affected and she gets irritable and nervous, has hot flashes, faint spells and dizziness, and that she is unable to sleep at night?

To all women whose heart is weak and whose nerves are weakening we would recommend

MILBURN'S HEART AND NERVE PILLS

is the best remedy to tone up the system and strengthen the weakened organs.
Mrs. Daniel Besseman, Logansville, N. B., writes: "For nearly two years I am unable to tell you what your great remedy, Milburn's Heart and Nerve Pills, has done for me."

My heart was so bad at night I could not sleep, I would take soothing spells, and was so weak I could not do my housework. I tried two doctors, but got no results. A friend advised me to try your pills. I used six boxes and am completely relieved. I think they are the best remedy for heart trouble there is."

The Secret of Good Health

When Nature requires assistance, she will not be slow in conveying to you an intimation of the fact. Decline of energy, inability to sleep well, headache, biliousness, constipation, a general sluggishness of mind and body and any sign of digestive "unrest" should impel you to seek the aid of a reliable medicine without delay. There is no better—no surer—no safer—than this proven remedy.

Keeping a Child's Hair Beautiful

**What a Mother Can Do To
Keep Her Child's Hair Healthy**
—Fine, Soft and Silky—Bright,
Fresh-Looking and Luxuriant

THE beauty of your child's hair depends upon the care you give it. Shampooing it properly is always the most important thing.
It is the shampooing which brings out the real life and lustre, natural wave and color, and makes the hair soft, fresh and luxuriant.
When your child's hair is dry, dull and heavy, lifeless, stiff and gummy, and the strands cling together, and it feels harsh and disagreeable to the touch, it is because the hair has not been shampooed properly.

When the hair has been shampooed properly, and is thoroughly clean, it will be glossy, smooth and bright, delightfully fresh-looking, soft and silky.
While children's hair must have frequent and regular washing to keep it beautiful, it cannot stand the harsh effects of ordinary soaps. The free alkali in ordinary soaps soon dries the scalp, makes the hair brittle and ruins it.

That is why discriminating mothers, everywhere, now use Mulshied coconut oil shampoo. This clear, pure, and entirely greaseless product cannot possibly injure, and it does not dry the scalp or make the hair brittle, no matter how often you use it.

If you want to see how really beautiful you can make your child's hair look, just follow this simple method:

A Simple, Easy Method
FIRST, put two or three teaspoonfuls of Mulshied in a cup of glass with a little warm water. Then wet the hair and scalp with clear water. Pour the Mulshied evenly over the hair and rub it thoroughly all over the scalp and throughout the entire length, down to the ends of the hair.

Two or three teaspoonfuls will make an abundance of rich, creamy lather. This should be rubbed in thoroughly and briskly with the finger tips, so as to loosen the dandruff and small particles of dust and dirt that stick to the scalp.
After rubbing in the rich, creamy Mulshied lather, rinse the hair and scalp

CLERICAL LEAGUE TEAMS IN FINAL STRUGGLE TONIGHT

The Clerical League season has closed except for the final roll-off between the winning teams of the three series played during the winter. This roll-off will take place tonight on the Victoria alleys and the three contesting teams will be as follows: Atlantic Sugar Refinery, winners of the first series; N. B. Telephone Company, winners of the second series; and the Railway Mail Clerks, winners of the third series. The roll-off will be a sudden death affair with the three teams all rolling at once and the team with the highest pinfall tonight will cop first honors for the season.

Last night the low average man on each team in the league rolled off for the consolation prize and it was captured by R. Leaman of Goodwin's Company, Ltd., with an average of 50. The results of the roll-off for the prize were:

ECZEMA ON FACE AND HEAD FOR FIVE YEARS

Eczeema or salt rheum, as it is so often called, manifests itself in little round pimples which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed, the intense burning, itching and smarting, especially at night or when the part is exposed to a strong heat, is almost unbearable and relief is gladly welcomed.

There is only one way to get relief and no remedy like

BURDOCK BLOOD BITTERS
Take it internally and it gets at the seat of the disease in the blood and drives it out of the system.
Apply it externally and it takes out the itching, stinging and burning, and promotes healthy healing.

Mr. J. Sage, 215 Princess Ave., Vancouver, B. C., writes: "Having suffered with eczeema on the face and head, for the last five years, I consulted several doctors, and tried various kinds of salves and lotions, but I derived no benefit from any of them. I did not know what to do until a friend advised me to try Burdock Blood Bitters, and after I had used two bottles I began to get better and now after taking eight bottles I have not even a blotch on me. I feel that I cannot praise B. B. B. too highly. I hope you will make full use of this recommendation for the benefit of those who are suffering from this terrible complaint, eczeema."

The Human Clock

"It has long been a favorite idea of mine to compare the human body with my old clock here."

"Without proper attention the old clock gets run down and stops until I wind it up again, and then it ticks away just as heartily and regularly as ever."

"And so it is with the human body, but the great difference I find is that the human clock usually breaks down instead of runs down, because people neglect to take proper care of their health."

"Through all these years I have managed to keep well and to keep young by using

restorative treatment whenever there are indications of the system becoming run down.
"Fortunately I learned the value some years ago of Dr. Chase's Nerve Food, and to its use I largely attribute my healthful condition at this age."

"I hear people talking about being unable to sleep, or of suffering from nervous headaches, indigestion or worn-out feelings. I ask them, 'Why do you not use Dr. Chase's Nerve Food to increase your nerve energy?'"

CRICKET CLUB IS REORGANIZED

The reorganization of the St. John Cricket Club took place last evening in their rooms in Broad street. Plans for an extensive programme during the summer were discussed and a general outline of make-up of the team was drawn up.

The meeting was largely attended and the cricket fans all appeared to be enthusiastic regarding the prospects for the coming summer's activities. The election of officers took place last evening and resulted as follows: President, Dr. H. S. Bridges; vice-president, Dr. H. Hawkins; secretary-treasurer, Dr. Tremlaine; captain of the team, H. B. Young; vice-captain, J. R. Ring. It was also announced at last night's meeting that a practice game would be played on Friday afternoon at 2 o'clock on the Barrack Square with a team from the R. M. Yeast Best When Ironized
The reason IRONIZED YEAST brings such splendid results is simply this—IRONIZED YEAST is scientifically correct in every way, containing in highly concentrated form a specially cultured yeast which is grown under the strictest supervision for medicinal purposes—a yeast which is unequalled for its richness in the essential Water Soluble B vitamins. In addition it contains the correct amount of the two other vitamins—Fat Soluble A and Water Soluble C—which are equally important to health, yet which are lacking in the average modern diet.

These three vitamins bring excellent results even if taken alone—but when taken with a proper amount of easily assimilated organic iron, as in IRONIZED YEAST, these results are secured often in just half the usual time!
