Notice To Advertisers
 It is important that advertisers in The Evening Times take notice that, under the prevailing conditions due to change of time on the railroads, this newspaper is obliged to issue one hour earlier than usual, in order to make mail connections and, consequently, begin work an hour earlier in the day, therefore the business office will be open from 8 a. m. to 5 p. m., (old time) and advertisers are requested to have their copy in the office one hour earlier than usual. This to ensure prompt service and changes.

LOCAL NEWS
HAS RECOVERED
 Policeman Gooling, who has been seriously and comatose to the General Public Hospital, was moved to his home this afternoon quite recovered.
POLICE COURT.
 Two men were in the police court, charged with drunkenness. They pleaded guilty, were fined \$8 each for two months in jail and were remanded.

IS VERY ILL.
 It was reported from the General Public Hospital today that Inspector McAtish is still in critical condition, but it is hoped there will be a change for the better tomorrow.
FATHER YOUNG BACK TOMORROW.
 Rev. Father Young of the Mission Church of St. John Baptist, Paradise row, who was so severely injured in an automobile accident in Montreal some months ago, is expected to return tomorrow and will resume his charge. This is very glad news indeed for the reverend gentleman's friends and parishioners.

A SURPRISE PARTY.
 A very pleasant evening was spent at the home of Magistrate and Mrs. W. H. Allingham of West End last evening in honor of the birthday of their daughter, Mrs. Wesley Stevens, of Bridge street. It came as a pleasant surprise to Mrs. Stevens when a number of friends called in the evening and presented to her various pretty gifts. In a few well chosen words Mrs. Stevens thanked them all. There were games and music and dainty refreshments and a very enjoyable time was spent by all.

MARAUDERS VISIT CLUB HOUSE.
 The Renforth Outing and Athletic Association's club house was visited on Sunday night by a gang of hoodlums who forced an entry and, after putting on a roaring blaze in the fireplace, proceeded to show their vicious intent by smashing the dishes and lamps and throwing them into the piano. An automobile by which they reached the place was noticed and it is believed that it will form a clue which may lead to the detection of the offenders. The club members are justly indignant and have offered a reward for information leading to the apprehension of the ridders.

PLANS HAVE BEEN CHANGED.
 The alumni of Mount Allison University, particularly members living in St. John, have decided not to hold their closing theatricals in a theatre in this city this year, but will present a musical or similar entertainment in one of the Methodist churches here instead. This decision has been made in view of the lateness of the date and the unavoidable absence of many important workers. Furthermore, it is considered wise to defer such an affair until another season presents a better dramatic vehicle, something which would be selected for presentation in a big theatre.

MONTREALERS CELEBRATED.
 A St. John man returning from Montreal yesterday reports that on last Wednesday, April 30, those people of the big Quebec city in the habit of imbibing in strong drink held a veritable orgy on that last day of hard liquor and unrestricted sale. It was reported to be a veritable carnival of drinking among some people, and when May 1 was ushered in with its light wines and beer there was little disposition on the part of some of these celebrants to indulge even in these less harmful beverages. Quite a change has taken place in Montreal, which has been the fountain-head for liquor since prohibition.

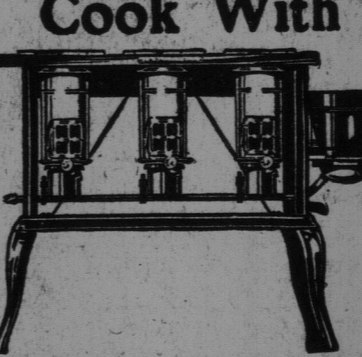

FUNERALS TODAY.
 The funeral of Mrs. J. T. Dillon took place this morning from her late residence in Main street to St. Peter's church, where regular high mass was celebrated by Rev. Father Hogan, C. SS R., with Rev. Father Woods, C. SS R., deacon and Rev. Father Healey, C. SS R., sub-deacon. The funeral was attended by many friends. Interment was made in the new Catholic cemetery. A large number of beautiful floral tributes and spiritual bouquets were sent by friends.
 The funeral of Mrs. Priscilla Lynan took place this afternoon from 129 King street east. Service was conducted by Rev. H. A. Goodwin and interment was made in Fernhill.

ARBOR DAY FRIDAY.
 Arbor Day will be observed in the public schools on Friday of this week, and special stress is being laid upon the exercises to be carried out in the various buildings. The high school will depart somewhat from its usual custom this season and each class in the building will be asked to contribute some distinctive item for the programme. Heretofore it has been the senior classes only that have supplied the entertainment. Under the new arrangement it is expected that quite a novel and varied list of musical and literary features will be made, giving the Arbor Day celebration considerable special interest.

MILK LICENSES.
 It was reported by the board of health this morning that up to date only eleven milk licenses have been granted. It is the intention of the board to institute proceedings against all vendors who do not obtain licenses immediately. In order to get a milk license the dairy herd and premises must be inspected, and the dairies in the city also have to be looked into, also there must be filed a list of producers. These will be checked up and if they also have passed inspection, the license will be granted. It is the intention of the board to enforce the law rigidly.

Hand Over The Enforcement Of Liquor Law In City To Police

Proposal Made At City Hall Today by Chief Inspector

Only Matter of Principle so Far Discussed—Will be Taken up With Police Heads—One Inspector Given Notice of Dismissal

A proposal that the enforcement of the liquor law in St. John should be taken over by the city police force was laid before the mayor and commissioner of public safety this morning by Rev. W. D. Wilson, chief inspector under the act. Details, such as financial arrangements, were not gone into at any length, the idea of the conference this morning merely being a discussion of the general principle involved.
 It has been felt that divided authority in the matter of the enforcement of the act did not make for the best results as between the two forces. A few inspectors could not cover the city as thoroughly as would the police force, while the policemen have felt that the inspectors did not appreciate the help they gave.
 Mr. Wilson's suggestion now is that the police force take over the duty of enforcing the law, accept full responsibility and receive full credit for their work. With a force as efficient as that which St. John possesses, it is felt that much better results could be secured by the method suggested. The police have done much towards the enforcement of the act in the past, and with the knowledge that the entire matter lay in their hands, the pride which marks their interest in their work would ensure keen attention to this obligation. The plan is regarded as an experiment, but Mr. Wilson is quite willing to give it a trial and watch the results to see how it will turn out.
 Mayor Hayes and Commissioner Thornton seemed favorably disposed towards the scheme this morning and will be discussed with the heads of the force this afternoon.
 Whatever action is taken, Mr. Wilson said this morning, there will be a change in the personnel of the local staff of inspectors. One inspector already has been given notice that his services no longer will be required.

VICTORIAN ORDER HERE ASKED TO TAKE UP CHILD WELFARE WORK
 Hon. Dr. Roberts Promises to Help Towards Provincial Assistance—Suggestion of Branches Throughout Province

The monthly meeting of the local branch of the Victorian Order of Nurses was held last evening at the residence of Mrs. Geo. F. Smith, with E. J. G. Forster in the chair. Mrs. Smith gave an account of the annual meeting held recently in Ottawa, and said that the chief superintendent, Mrs. Hamilton, expected to be in this city before the end of the month. It was decided to hold a public meeting, which she would address.
 The committee in charge of the new nurses' home reported progress and said that they hoped to be able to move in during the week.
 Hon. Dr. W. F. Roberts spoke regarding child welfare work and suggested that the Victorian Order should undertake it in this city. He promised that he would endeavor to obtain assistance from the provincial department of health to provide a salary for an extra nurse. He also recommended that the order establish branches in most of the towns throughout the province, and thought the department of health would co-operate in defraying expenses necessitated by such action.
 The board supported the movement toward the erection of a new nurses' home at the General Public Hospital.
