**LOCAL NEWS**

**WITH ARMY SERVICE CORPS**  
Bombardier K. J. Morton, reported yesterday as wounded, did not go overseas with the Siege Battery, but with the A. S. C. under Lieut.-Colonel Massie.

**ASSISTING IN KNIGHTS' DRIVE**  
From a list of ladies assisting in the Knights of Columbus drive for army hats, published in today's papers, the name of Mrs. W. P. Broderick was inadvertently omitted. Mrs. Broderick is general supervisor of the ladies' branch of this work.

**NOVELTY SHOWER**  
A novelty shower was tendered Miss Dora Kent in Fairville last evening at the home of Mrs. Robert Hickey. A large number of friends were present and an enjoyable evening was spent in games and music. The presents received were numerous. This was the third shower tendered Miss Kent.

**PROMINENT ENGINEER IN TOWN**  
H. H. Vaughan, president of the Engineering Institute of Canada, which will meet in annual convention at Halifax starting tomorrow, arrived in this city at noon and between 7 and 8 o'clock was the guest of George McAvity. Mr. Vaughan is one of the highest authorities in the maritime provinces. Mr. Vaughan said he had been in the Dominion Bridge Company since it was organized in 1914. The company also operates a subsidiary plant in Lower Canada.

**POSSIBLE DANGER IN BATHING**  
There is a belief among some parents and family physicians that bathing in close proximity to sewer exits along the Courtney Bay shore and at Marble Cove as well as inner harbor spots, is endangering the health of children who use these places mostly. Several cases of illness bordering on typhoid have sprung up recently among little ones in the habit of bathing in these waters. If there is any foundation for an idea of this kind, the health authorities will probably investigate and place warning signs in conspicuous places. It is a well-known fact that Courtney Bay shore on the city side is dotted with huge pipes emptying the sewerage of the eastern slope of the town. It is said the Marble Cove slope takes care of Douglas Avenue sewerage to a certain extent.

**MILITARY TONE TO WEDDING OF TODAY**  
Major C. J. Morgan and Miss Edna J. Ready Married in St. Rose's Church

A wedding of more than ordinary interest this morning was that of Miss Edna Josephine Ready and Major Cuthbert J. Morgan, commander of No. 7 Canadian Garrison Regiment, which took place in St. Rose's Church, Fairville, at half past nine o'clock. The marriage ceremony was performed by Rev. Charles Collins in the presence of a large number of relatives and friends.

The bride, who was given away by her uncle, Louis Ready, wore a magnificent costume of ivory duchesse satin trimmed with duchesse lace and an overskirt of georgette crepe. On her head was a pretty Grecian band with clusters of orange blossoms, and veil attached, and she carried a large bouquet of bridal roses.

Miss Inez Ready, sister of the bride, was the bridesmaid, and wore a dress of coral satin with an overskirt of georgette crepe and hat to match. She carried a large bouquet of sweet peas. The groom was supported by Captain Edward Mooney. Major Meseroux and Dr. J. G. Harrington officiated as ushers.

At the conclusion of the ceremony the bride and groom left the church, to their surprise they were greeted with appropriate air, played by the band of the Battalion Band, under the direction of Band Sergeant Perkins, and cheers from the members of the Canadian Garrison Regiment, who were lined up outside the church. They were escorted to a barouche, which was surrounded by the band of honor and then driven by the soldiers to the home of the bride in Manawagonish road. En route the band played some spirited airs. The remainder of the bridal party drove home in automobiles and upon their arrival a dainty wedding luncheon was served. The guard of honor was in charge of Captain Patchell and was composed of the officers and men of the regiment.

Major and Mrs. Morgan will leave this evening on a bridal tour through upper Canada. On their return they will take up their residence in Earle street, West St. John. Their popularity was attested by the large array of magnificent presents received.

**Brennan-Dalton.**  
A very pretty wedding was solemnized in St. Peter's church at five o'clock this morning when Rev. F. J. Coughlan, C. S. R., who was celebrant at nuptial mass, united in marriage Miss Martina J. Dalton, daughter of Mr. and Mrs. William J. Dalton, and Albert Brennan of Fairville. The bride, who was given away by her brother, Dr. J. T. Dalton, looked charming in a suit of royal blue chiffon broadcloth, with hat to match, and carrying a bridal bouquet of American beauty roses. She was unattended. Following the ceremony a dainty wedding breakfast was served at the home of the bride's parents, 889 Main street, after which Mr. and Mrs. Brennan left on a honeymoon trip to Montreal, Toronto and Niagara Falls. They were the recipients of a large number of magnificent as well as useful presents.

**ARE SUBSTITUTES GETTING SCARCE?**  
Since the food control regulations have been in force, most families have been diverted from their habits of eating to a certain extent and new diets have taken the places of those in which restricted ingredients are included. Now it appears some of the new foods are growing short in supply. A householder scoured the town for a certain cereal for an invalid a few days ago only to find that it was practically out of the market. Another unfortunate condition that home folk are beginning to agitate about is the poor condition of some perishable substitutes. It is a well-known fact that some meals become woefully spoiled after a certain length of time in store. Since the general use of these prescribed foodstuffs and the regulations governing the purchase of them in double ratio to the white flour, etc., households are apt to become pretty well overstocked and naturally it is hard to keep perishable cereals free of taint. Dealers state they have trouble keeping their supplies of substitutes in good condition in wholesale lots.

**INVOKE LAW ON UNFAIR DEALER**

**Dr. Keirstead, Food Board Deputy Speaks of High and Varying Prices Asked by Some Grocers**

Dr. W. C. Keirstead, of Fredericton, food board deputy for New Brunswick, who came to town on the noon train, told the press that because of excessively high prices asked by grocers in various parts of the province and because of wide disparity in quotations on some articles of food, there might soon be some interesting developments in which the stern hand of the law would be felt. In a town along the government railway a few days ago the food deputy himself discovered a difference of fifteen cents on a 24 pound bag of white flour. Before leaving the place he warned a dealer asking \$1.90 that if he did not mark his flour to \$1.65 he would seek to have his license cancelled.

The same thing is being done here, there and elsewhere, Dr. Keirstead said, and officials are now addressing themselves to the task of regulating profits. If grocers and general dealers refuse to accept the ruling of the food board in the matter of profit margins on wheat flour and substitutes, the power of the law will be invoked.

The food board allows one-half cent a pound profit on the small packages of wheat flour, such as the twenty-four pound bags, etc., and one cent on substitutes. This is the standard upon which it is expected all dealers will agree. However, of late it has been discovered that some grocers, especially in small towns and villages are some what gouging the innocent people with exorbitant prices and blaming it on the food authorities.

The public is warned against profiteering. Be wary of the unfair dealer, the dishonest dealer. If any persons have specific and well-grounded complaints the food board wants this information.

**PERMISSION GIVEN FOR CHURCH MORTGAGE**

**Presbytery Deals With St. David's Application**

Resignation of Rev. F. G. Mackintosh of Sackville Withdrawn—Rev. James Ross Nominated as Moderator of Maritime Synod

Several matters of importance were dealt with at the quarterly session of the Presbytery of St. John, which opened in St. Andrew's church this morning. The moderator, Rev. W. Townsend, presided, and the present were: Ministers, Rev. Frank Baird, Woodstock, clerk; Rev. Messrs. J. A. MacKegan, Alex. Grant, E. E. Watt, Dr. A. Morrison, G. Gough, H. S. Raynor, J. A. Sutherland, P. C. Macintosh, T. P. Drummond, S. R. Pringle, F. Dowling, Messrs. Howie, J. G. Forbes, Alexander Donald, A. D. Malcolm and W. S. Clawson.

The matter of vital statistics was discussed and, in order to insure a complete and uniform record of births, marriages and deaths, the clerk was instructed to prepare forms for a book which will be used by all the congregations.

St. John, asking permission to place a mortgage on the new building now under construction, was presented by Rev. Mr. MacKegan, A. D. Malcolm, Peter Chisholm and A. R. McIntosh. The Presbytery was informed that the contracted price of the new church is \$105,000; that \$71,000 was on hand or in sight, and that the mortgage asked for \$35,000. It was agreed that the permission be granted and the congregation was commended for the spirit and enterprise shown and assured of the sympathy of the presbytery and their wishes for success in the desire to secure a new church home.

The resignation of Rev. F. G. Mackintosh of Sackville was withdrawn, at the request of his congregation to which he had agreed. He had resigned in order to clear the way for union or co-operation with the Methodist church, but this had not been found feasible.

Rev. James Ross, superintendent of home missions in New Brunswick, was nominated for the moderatorship of the home mission board to revise upwards its financing \$500 the maximum grant for augmented congregations.

The resignation of Rev. Alexander Grant of Andover was accepted, at the request of the board of education. This was referred to the board of education and Dr. Morrison and the clerk were appointed a committee to deal with the matter of Mr. Penwarden's course and his continuance in St. George.

F. T. Murphy of St. John; D. R. Usher of Grand Bay and H. H. Tibbets of Andover were added to the roll of elders as additional members under the new regulation of the general assembly.

Rev. Dr. D. N. MacIsaac of the Presbytery of Stratford, Ont., who was present, was invited to a seat in the presbytery.

The session is being continued this afternoon.

**A THOUGHT ABOUT THE FUTURE**

"With the present exhibition buildings in South End in such dilapidated condition from war-work, what better place could the city and government find for a new equipment than right out here?" The speaker was a prominent citizen accompanying a Times man out the Millidgeville avenue towards the river. The location pointed out was a large dry meadow area about half-way out with delightful surrounding country, wooded places; ground for race track and stock yards; elevations for grandstands, buildings and plenty of land additional for a sporting park, baseball and field and track events.

The location is about ten minutes from the city by automobile, and no further away from the centre of activities than the Halifax fair grounds or similar plants in other places. When the war is over there will doubtless be many returns to peace-time activities, and among the first to get the people together in friendly competition for the sake of starting all over again at high speed production—for which the war period has been excellent training—will doubtless be the time-honored and almost indispensable exhibition.

**MACAULAY BROTHERS & CO.**

For the Coming Cool Mornings You Will Find Much Comfort In

**A Soft Velvet-Like Velour Dressing Gown**  
In Ladies' Coat Style or Kimona Shape

Many of these are made of "Esmonds" Velour, Bordered Blanket. SPECIAL LOW PRICES—\$5.50 to \$8.00—all sizes. Also, in lighter weight, Fancy Outing Designs of Flannelette. All at low and attractive prices, \$3.75 to \$4.50.
