PASSES AWAY IN NORTH WILMINGTON

Funeral of Mrs. Frank L. Eames, Formerly Miss Helen Slipp of St. John, Held There on Sunday.

A wide circle of friends in this city will learn with regret of the death in North Wilmington, Mass., of Mrs. Frank L. Eames, formerly Miss Helen Slipp of St. John. Mrs. Eames passed away at her home on Thursday, April 19, after a long illness, and she was laid to rest at North Wilmington on Sunday last. She leaves besides her husband, two sisters, Mrs. Henry Maxwell, of Berkeley, California, and Mrs. George Caldwell, of Lower Cambridge, Queens County, N.B. The latter was with her at the time of her death. Mrs. W. O. Slipp, of St. John, is a sister-in-law.

Before her marriage Mrs. Eames lived for some years in St. John and a host of warm friends will long remember her fine character and delightful disposition. Later she studied nursing in Lowell, and was graduated from the Lowell Hospital. After that she visited St. John several times and was cordially welcomed by old associates.

Very deep sympathy will be tendered the bereaved husband and the other relatives.

"Mimba," one of the only two pygmy elephants in captivity, in the New York zoological gardens, weighs only 400 pounds at three years of age.

Get health—Keep health—Feel fine by eating Kellogg's Bran regularly!

Constipation and the toxic poisonings that come from it not only take the enthusiasm out of life, making you depressed and physically and mentally dull—but they lead you into diseases such as Bright's, diabetes, rheumatism, etc. You can actually rid yourself of these dangers if you will EAT KELLOGG'S BRAN REGULARLY!—at least two tablespoonfuls daily; in chronic cases with every meal.

Kellogg's Bran is nature's most wonderful food. It is scientifically prepared to relieve suffering humanity from constipation and it will do that as no other food can! Don't take a chance of "getting away" with constipation—IT WILL GET YOU! Don't ruin your health with pills and cathartics—they are as dangerous as constipation itself and give but temporary relief, at the very best!

What you should do for your family and for yourself is to serve Kellogg's Bran every day, in any one of several attractive ways, and fight constipation as you have never fought it before! AND YOU WILL WIN.

In the first place, Kellogg's Bran is delicious in its nut-like flavor, adding greatly to any cereal with which it is used. Eat bran as a cereal with hot milk, or mix it with hot cereal before serving. Another method is to cook Kellogg's Bran with cereal. In each case add two tablespoonfuls of bran for each person. A popular way is to sprinkle bran on hot or cold cereal. Bran makes wonderful bakery products. Recipes are printed on every package.

Kellogg's Bran is served in leading hotels, restaurants and clubs. It is sold by all grocers.

STREAM DRIVING STARTS

Frederick Gleaner, Saturday—The first stream driving in central New Brunswick was commenced this morning when Coun. David Woods started operations on his drive for the Fraser Companies, Limited, on the Yoho.

The expectation is that by the latter part of next week stream driving will be generally underway in this part of the province, if there is some rain in the meanwhile. At present the water is not high enough in most of the streams to make driving operations possible.

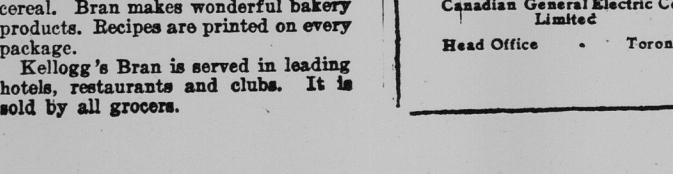

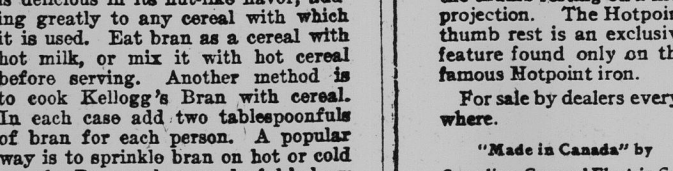

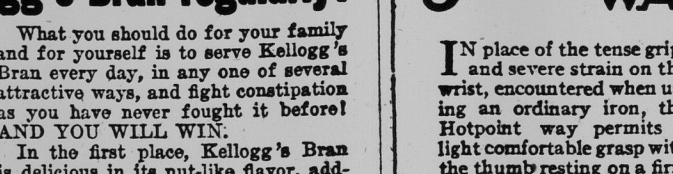

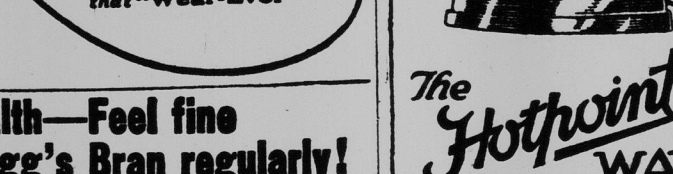

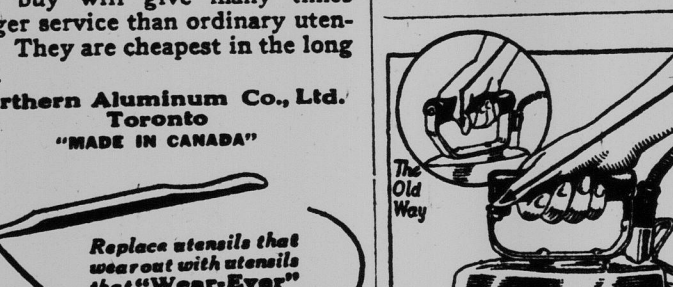

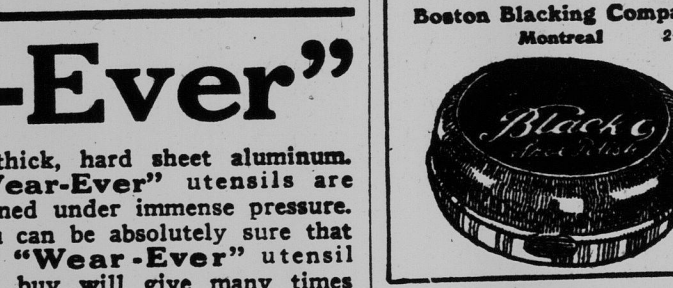

The traveler, "France and Flanders Revisited," was given last night in the German street Baptist Institute by Mrs. E. Atherton Smith, under the auspices of the Seven Seas Chapter, I. O. D. E. The money realized was for the civic war memorial fund. Miss Alice Lockhart presided. A vote of thanks was moved by Dorothy Jones and seconded by Miss Mildred Wilson. Mrs. Lloyd Farquhar was pianist. Mrs. Smith will give her talk in Campbellton in aid of the Soldiers' Memorial Hospital there.

Spring Opening In Housefurnishings and Furniture Departments

The home will be just as homelike as you make it. It can be merely a place in which to put in time between engagements; or the most attractive place on earth to your household.

A great deal depends upon the harmonious blending of furniture and furnishings. This can easily be brought about by the judicious choosing of the things you need to buy from time to time. In our housefurnishings and furniture departments you can receive expert opinion as to just which color, pattern or design will best suit your surroundings.

First of All Your Floors

In our carpet department you will find a very comprehensive and exceedingly choice selection of the newest and most reliable Linoleums and Oilcloths; as well as, rich and beautiful Floor Rugs in Wiltons, Brussels, Axminsters, Tapestries, and wondrously lovely Orientals. These are in hearth and room sizes.

M. R. A. Rug Values will stand the test of comparison.

Furniture Comes Next

Perhaps you'll be wanting to furnish a home completely; maybe you'll wish only to add one suite—or just replenish some shabby piece with something new and "atmospheric." You'll find the wanted piece in our furniture store—and you'll find M. R. A. Values right.

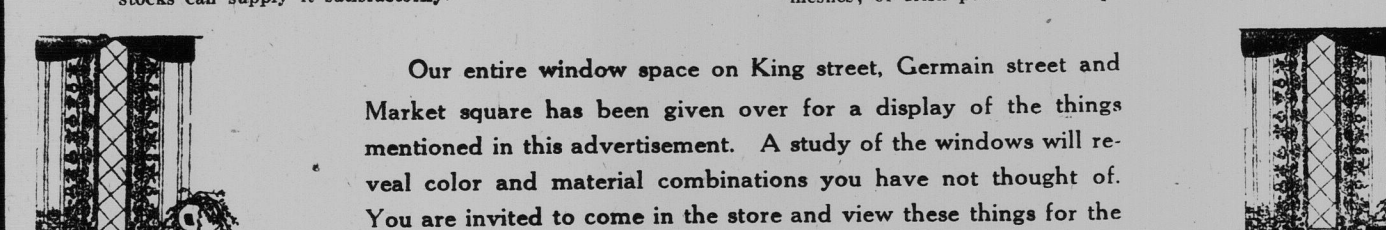

Whether it's a suite in period or modern design; a big, comfortable, overstuffed Chesterfield suite; a dining table; a book case; a spinnet desk or any other piece of furniture as favored in the modern home, we feel confident that our spring stocks can supply it satisfactorily.

After Furniture—Hangings

Overcurtains, Slip Covers, Couch Covers and Upholstery. It takes time and thought to plan all these things out successfully and they make such a difference in the tone of a room. You may have expert advice on the correct colors, materials and combinations to use by asking in our housefurnishings department. There you will find a wonderful range of the newest Cretonnes, Tapestries, Warp Printed Tapestries, Casement Cloths, Roman Stripes, Velours, Mercerized Poplins, etc., in plain or floral patterns; also conventional designs and fascinating exotic effects.

And Then Your Windows

It's a matter of no small importance to have them curtained in their most effective style. If your preference runs to sash curtains of lace edged or plain Scrim or Marquisette, you'll find the wanted materials here. If Long Curtain suit your scheme of decoration better, we can supply lace edged or plain Marquisette Curtains; Grecian Nets in fine or heavy meshes; or Irish point with deep or narrow borders.

Our entire window space on King street, Germain street and Market square has been given over for a display of the things mentioned in this advertisement. A study of the windows will reveal color and material combinations you have not thought of. You are invited to come in the store and view these things for the home, at closer range.

Investigate further, and it is expected will be recalled when the sheriff and police complete their investigations.

A bold case of theft occurred a few days ago when some person entered the home of Rev. Dr. D. Hutchinson, 222 Main street, and stole a half bureau drawer. The money was the property of Mrs. Thurlow, Dr. Hutchinson's sister. The theft occurred just a day or so before the theft of \$21 from Isaac Goldberg and in somewhat a similar manner. A man also entered Goldberg's place on the same day as the Rev. Dr. Hutchinson, the \$80 was taken and stole a half bottle of whiskey. Roy Thompson is at present under arrest on suspicion of stealing the money from Goldberg's house.

A short meeting of a few of the creditors of Louis N. Harris, who made an assignment recently to the Canadian Credit Men's Trust Association, was held at the company's office yesterday afternoon. Another meeting will be held next week.
