

Drugs and Medicines.

WHEN you require anything in this line it will pay you to look up our address. We use only the best quality of Drugs, and if you bring your Prescriptions to our store you can rely on getting **satisfactory results**. There are a few people who will search the town to save five cents on the cost of a bottle of medicine, but the majority are looking for what we offer, viz: **Pure Drugs**. Preparations made in accordance with the requirements of the latest Pharmacopœias, and careful dispensing.

In the interest of Honest Pharmacy we ask your patronage.
