The following extracts from the Election Law, are published for general information:
Sec 35,—"The resident electors shall vote in the district in which they are registered; the non-residents at the fourt House or building used therefor in the Shire Town, unless they have released account of the court of the shire town, unless they have released account of the shire Town, unless they have

selected another polling district."
Sec. 40.—Presiding Officers, Poll Clerks, Can-Sec. 40.—Presiding Officers, Poll Clerks, Candidates and their agents, may poll their votes in the district where they are acting, though they do not reside therein, if, on the day of nomination their names are certified and entered as qualified by the Sheriff on the book containing the chick list, and the Sheriff shall strike_such name out of the list of the district in which they are qualifice to vote,"

ALEX. T. PAUL.

ALEX. T. PAU!

"I can scarcely hear," she murmured,

on my heart beats loud and fast. But surery, in the far, far distance I can hear a sound at last." "It is only the reapers singing, And the evening breeze has risen. And rustles the dying leaves"

Calmly still she strove to speak, Yet her voice grew faint and trembling, It is only the children playing all low, now their work is done And they laugh that their eyes are da By the rays of the setting sun."

Fainter grew her voice and, weaker,
As with anxious e es she cried,
"Down the avenue of chesnuts" In the herd on the clover-grass,
They were startled and fled to the thicket
As they saw the real ers pass."

By the funds, Sir George. They answer to the news as surely as the bell down stairs answers to the bell-rope. I find them going up and down as if they were sitting in the ofe, said Parker, personifying the stock ex-

Have all the letters to the clerks been exmined strictly?
Yes; I read them all myself.

ter near the head of Tide Waters.

And at or near the Drill Shed in Milltown.
For the Parish of St. James, at or near the Kirk on the Seothement.
And at or near the bouse of John King in the Bailite Settlement.

My uncle, Sir Geo ge Trevor, was, as all then knew, high in the Admiralty—and it was from the Parish of St. Patrick, at Digdeguash from that I heard this ancedote, its veracity may be depended on.

Who is the lady who writes this? said the work of the government were with an intend.

He read them all very carefully, looked at the light through them. At last be put them all aside excepting the one from Elinor Beaumont.

Who is the lady who writes this? said the said the lady who writes this?

A very sweet young woman, said Parker

writes about twice a week.

Yes, sir, said Parker, he has. Have you a key which will open it? I have—and what of that?

nothing of it; neither will any one else.

weethearts, said Parker twisting his face into

ee; I have had my own misgivings on the sity of being cautious and silent in the matter.

My uncle read this out loud, from beginning to end, and then he said. "Do you see It seems that for some months there has exanything suspicious in that? It seems to me isted a pouematic telegraph between Glas-

Well, sir, said my uncle, who was rather impatient of the man of ski I's pomposity, and what may 'hum' mean? Have the young woman and her aunt's rheumatism done the words, which the holes left visible:

"Lie then placed this half-sheet over the let-my passing an evening every week at No. 124

Beacon street and returning home to sleep.

Who knows but we may be conveyed in this words, which the holes left visible:

"The then placed this half-sheet over the let-my passing an evening every week at No. 124

Beacon street and returning home to sleep.

Who knows but we may be conveyed in this marvelous manner before many years?

Then there was, as you may, suppose, hur up to a few minute- befor the train starts, three, rying and scurrying, and running and chasing, miles off. The transit takes less than two and dispatching of government couriers, and seconds. Surely this is an age of wonders.

pondence continued long?

Off, yes—a couple of years or so; but not nearly so regularly as lately.

For how long regularly?

About two months.

That is about the time when you first suspected the betrayal of confidence?

Really, my friend, if you can't see farther into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than that, you may give up into a millstone than there was, and crarier pigeons and semaphore telegraphs, and carrier pigeons and semaphore telegraphs, and carrier pigeons and all the old world means of communication.

took his hat and departed, saying he would return in two days. The two days, however, were five before he came back and was again closeted with my uncle and Parker, with whom he had fallen in great disfavor.

Warts to make a job, said the latter—a regular humbug.

Sir George, said the regular humbug, has Beaumout a locked desk in his room?

Yes, sir, said Parker, he has. guide them in writing the words which are to be read were entirely absent. The way in which the deception is effected is this: The correspondents, before communing, take a I wish to have that desk opened without his sheet of paper and cut holes in it, which, of knowledge, and the contents brought to me.

And on what pretense, said my uncle, do pond. They each take one half-sheet, and you propose to put this insult on a man a when the letter is to be written, the writer so gainst whom there is no reasonable ground of arranges the words that those intended to be puspicion, and who has not been allowed to read shall appear in the holes when the half terprises in the world. There need be no insult, for he will know same size. When his correspondent receives the letter, he places his half-sheet over it and reads the words as you did. The deficulty. I will not permit it, sir.

Hum! Then I can do no more in the which was so well conquered in this case, is to make the sense run fluently and to prevent make the sense run fluently and to prevent

A very sweet young woman, said Parker

A very sweet young woman, said Parker

Does she write often?

Yes; she is his only correspondent, and ritts about twice a week.

Anything suspicious in that? It seems to me isted a potential telegraph between Glassowry insocent."

Hum! It may be. Was there anything the other principal cities of the kingdom, which the messages are thrown and sent to their destination.

You may go and look, growled that potential the other principal cities of the kingdom, which the messages are thrown and sent to their destination.

I inquirie if I might see a message such. Ohere the consists of an iron tube, into which the messages are thrown and sent to their destination. rites about twice a week.

Where does she live?

Where does she live?

The desk was quite empty, with the except of messages into the pasteboard scroll, popped tion of two or three craps of waste paper. On the desk was in business there.

And does she always write about the same She lives in Jersey, Beating and the same father was in business there.

And does she always write about the same sort of things—anut's rheumstism, picuies, squire's tea parties, and the like?

Much the same, excepting when she speaks of Beaumont hims if

The same in the same always write about the same with an air of elation to the other room. He may be seed the unfolded this scrap of paper, and disclosed the paper on the same, excepting when she speaks of Beaumont hims if
